

NOTICE

On May 1, 2025, Logan-Cache Airport (“KLGU”) will transition to using PLANEPASS® for landing fees. PLANEPASS® is a purpose-built aircraft billing solution from Vector Airport Systems (“Vector”) for billing and accounts receivable management. Vector’s PLANEPASS® team will bill and manage all payments for KLGU’s landing fees incurred May 1, 2025, and thereafter.

Landing fees will be assessed for aircraft that land at Logan-Cache Airport, which are not based at the airport, and which weigh greater than 6,000 pounds.

The landing fee rate structure is tiered, based on the MLW of the aircraft.

- Tier 1 begins at > 6000 pounds, up to 14,999 pounds. This tier will be charged \$3.00 per 1,000 pounds.
- Tier 2 begins at ≥15,000 pounds, up to 99,999,999 pounds, and will be charged \$4.00 per 1,000 pounds.
- Federal, Military, and Utah state government, as well as Angel Flights will be exempt.

Accompanying this notice is the official “Authorization to Bill” letter. Please note that, currently, PLANEPASS® applies to landing fees and not any other fees issued by the Airport. Upon implementation of PLANEPASS®, payments for landing fees made at the Airport or to the Airport will not be accepted.

Vector will send invoice(s) in June for May’s billable landing fee activities and all billable activities thereafter to the aircraft’s operator or management company.

For more information on making payments and to update your billing contact information, please visit Vector’s self-service portal at <https://payment.planepass.com>. If you need to contact

Vector, please use billing@vector-us.com or call 1-888-588-0028 x700 or Opt 01. Vector has an in-house, US based customer service staff who are always available Monday through Friday, 9am EST to 5pm EST, excluding most US federal holidays, the Friday after US Thanksgiving and Christmas Eve.
