ACKNOWLEDGMENT

In accordance with Title 8 Section 8.40 of the Cache County Ordinance, I hereby submit and certify that the information contained in this application is accurate and complete to the best of my knowledge.

Troy Oldham   5-21-15
_____   _____
Applicant   Date

Application Deadline: Completed application forms must be submitted to the Cache County Development Services Office forty-five (45) calendar days before an event is scheduled to take place. This allows sufficient time for evaluation of the application. Late applications shall be denied unless the applicant demonstrates that compliance with the 45 day deadline was impractical or impossible due to the nature of the event. A special event permit application may be approved and a permit issued to the applicant by the Director upon approval by all the agencies specified in Section 8.40.40.

Authority: Cache County has no authority to approve permits for events other than in the unincorporated area of Cache County. Permits issued by Cache County apply only to the unincorporated area of the county, and if an event crosses into a municipality within Cache County or across the county line, applicants should determine if a permit is necessary in the other jurisdiction.

Right to Deny: Cache County reserves the right to deny permit applications for proposed special events which may pose, or have posed a significant danger or threat to the public health, welfare or safety, or which may result in unreasonable inconvenience or cost to the public. In the event the application is denied, the applicant may appeal to the Cache County Executive.

APPLICATION CHECKLIST

A complete application must include the following unless specified otherwise:

1) ☐ Completed application form and application fee ($50 – no refunds) submitted 45 days prior to event. Additional fees for services provided by the Sheriff's Office, emergency services, or others may apply.

2) ☐ Proposed location, including a plat or map of the proposed area to be used, including any barricade, street route plans or perimeter/security fencing.

3) ☐ Total number of participants: Estimate must include event staff, participants, and spectators.

4) ☐ Public health plans, including plans for culinary water supplies, solid waste collections and disposal, and waste water (toilet facilities).

5) ☐ Proof of insurance in conformance with the County Ordinance 8.40.050(F) minimums: $1,000,000 each occurrence, $2,000,000 general aggregate, and $100,000 property damage.

6) ☐ Fire prevention and emergency medical services plans.

7) ☐ Security plans and/or law enforcement response.

8) ☐ Admission fee, donation, or other consideration to be charged or requested.

9) ☐ Plans for parking

10) ☐ *If* the event will be held on private property, a current taxation certification for that property.

11) ☐ Further information may be required by staff, other departments and agencies, and/or the Board/Committee/Council that reviews the application based on the proposed event.

PROJECT REVIEW PROCESS

- The applicant is encouraged to meet with staff prior to the deadline date to discuss the project and ensure that the information submitted is sufficient to provide a complete review of the project.

- After the application is accepted, information packets are sent to various departments, agencies, and affected municipalities that provide comments and/or approval for the proposed event to the Director of Development Services.

- In some instances a pre-event meeting may be held with planning staff and representatives from the departments and agencies that provide comments on the project review. Any issues present on a project will be discussed with the appropriate department or agency.

- A draft permit is made available to the reviewing agencies, affected municipalities, staff, and the applicant.

- Following agency/department review and approval, and correction of any outstanding concerns/issues, the permit can be issued.

Cache Gran Fondo - Saturday, July 11, 2015
Cache County Special Event Permit Checklist

1.   Completed application and check submitted to Cache County Office.

2.   Please see attached map for complete details. Event will begin at the Logan Regional Hospital and will end on the block between Main and Center (where the Main Street Sidewalk Sale festivities will also be held.)

3.   We are anticipating approximately 950 participants, spectators and event staff to participate that day. However, the only time everyone would possibly be gathered all at once would be at the starting line of the event (Hospital parking lot), and that would only be for a short time (approx. 1/2 hour).

4.   At the starting and finish location there will be both portable toilets with sanitation supplies as well as indoor toilets, running water and drinking water in the hospital and in different businesses along main and center street.

5.   Insurance certificate is in process and will be given to Cache County as soon as it is available.

6.   Logan Regional Hospital is a major contributor to this event and will obviously be aware of the event taking place. However, we will also inform Cache County emergency dispatch, the Cache Valley Hospital and the Emergency Medical Services (ambulance) of the event and details. In addition to Cache County, we will also inform Franklin County and Box Elder County EMS of the event details as well.

7.   We are planning to coordinate with the Utah Highway Patrol, Cache County Sheriff's Office and Logan City Police Department for their advice on traffic/safety control for major intersections. Once that is established, we will hire the number of officers they request to patrol the intersections they feel will need police supervision. We will also have experienced volunteers who will watch over less critical intersections and certain areas that could be confusing to participants along the course.

8.   The admission fee is $50 for participants. A portion of the proceeds will go to the Logan Regional Hospital to fund cancer screenings for women in Cache County who do not have insurance or cannot afford it.

9.   Logan Regional Hospital is aware of and approves of their South parking lot and parking garage for participants to park their vehicles. At the end of the race, most riders will either ride their bike back to the hospital or will have someone pick them up. Since everyone will not arrive at the finish line at the same time, there will be plenty of parking in the Center/Main Street area for spectators and people picking up participants.
