Recycling

We recycle all cardboard and plastic from all Rest Stops. One of our trucks goes to each Rest Stop to pick up cardboard and plastic. These materials are recycled at Rocky Mountain Recycling.

Insurance

Cache County Requirement: Proof of insurance in conformance with County Ordinance 8.40.050(F).

We are in the process of securing insurance for Cache County and each of the towns we ride through.

Once obtained our insurance certificates are shown Appendix A.

Fire Prevention and Emergency Medical Services

Cache County Requirement: Fire Prevention and Emergency Medical Services Plans

Fire Prevention

None of the various Rest Stops along the ride will have any open fires, flammable liquids or materials, so the risk of fire is low. In fact, in all of the previous Little Red Rides, there has never been a fire.

However, should a fire occur, we will call on the local fire department to respond and extinguish the fire.

Emergency Medical Services

Basic first aid will be handled by our volunteers. Emergency Medical Services for serious injuries will be requested through Cache County's EMS system.

Part of our volunteers are specially recruited and assigned to provide basic first aid to our riders. These first aid volunteers come with EMS experience that ranges from doctors, nurses, paramedics, EMTs, ski patrollers, and first responders.

These first aid volunteers travel the course providing basic first aid where needed. They are paired with a radio volunteer to provide quick response when a call for first aid is received at our Radio Communications Mobile Command Center, stationed at the Lewiston Start/Finish.

If additional care is needed, beyond what our volunteers can provide, then we will contact the nearest EMS service via 911.

Security and Law Enforcement

Cache County Requirement: Security plans and/or law enforcement response.

Law Enforcement

We hire 4-Utah Highway Patrol Troopers and 4-Cache County Sheriff Deputies to patrol the route.

Bridgerland Amateur Radio Club

Communication and Coordination between Law Enforcement, Little Red's Support Vehicles, and Ride Marshalls will be maintained by the Bridgerland Amateur Radio Club (BARC). BARC operates Cache County ARES as part of their community service to Cache County residents. This relationship allows for close communication with the Law Enforcement and EMS agencies of Cache County. Bridgerland Amateur Radio Club plans to bring the Cache County ARES command Trailer to the Little Red Start/Finish at the Lewiston Fair and Rodeo Grounds.

Support Vehicles

Little Red Volunteers in 25 vehicles will patrol the course offering help to the riders if they have mechanic or physical problems during the ride. These volunteers also remind the riders of their responsibility as riders to ride safely, such as ride to the right, no more than 2 abreast, etc.

Ride Ambassadors

Approximately 25 Ride Ambassadors will be riding the course on bicycles to remind Riders of their responsibilities to ride safely and to not impede traffic by only riding 2-abreast. The Ride Ambassadors will offer other assistance to the riders if necessary.

Motorcycle Ride Marshals

Approximately 30 Ride Marshalls will be riding the course on Motorcycles to remind Riders of their responsibilities to ride safely and to not impede traffic by only riding 2-abreast. These Motorcycle Ride Marshalls will be able to cover more of the course on their Motorcycles. The Ride Marshalls will offer other assistance to the riders if necessary.

Security

We do not plan to hire any private security for Little Red.

Participant's Fee

Cache County Requirement: Admission fee, donation, or other consideration to be charged or requested.

The 2018 registration fee for the ride is \$ 70. There is no mandatory donation to our Charity Partner as with other rides where riders must make a required donation of several hundred dollars. The riders can make voluntary donations.

Little Red is one of the few remaining rides where a mandatory donation is not required to participate in the ride.

\$ 360,000 Economic Impact to Cache County

Little Red organization and our riders contribute to the economy and businesses in Cache County. We estimate Little Red in one day contributes between \$ 275,000 to \$ 360,000 to the Cache County economy.

The Cache Valley Visitor's Bureau in their letter of support in Appendix B estimate Little Red contributes more than \$ 275,000 to Cache County businesses and residents. This value did not include \$ 50,000 in goods and services purchased from Cache County business as shown below. This brings the total to \$ 321,000, within the range that the Little Red Committee estimates.

Services and Products Purchased in Cache County

Little Red believes in supporting the Cache County businesses and we welcome any suggestions of other services and products that could be purchased from Cache County businesses.

Nearly \$ 60,000 in good and services are purchased for Little Red from Cache County businesses:

Service or Product	Cache County Business	Amount
Socks	Linn Sock Manufacturers	\$ 2,100
Tee Shirts	Badger Screen Printing Co.,	\$ 17,800
Sandwiches	Subway of Smithfield	\$ 10,200
Friday Night Dinner	Café Rio	\$ 14,000
Bagels	Einstein Bagels of Logan	\$ 1,100
Soda	Coca Cola Bottling	\$ 1,200
Tent, table, chair rental	Northwood Rentals	\$ 9,900
Coffee, tea and hot chocolate	Caffe Ibis	\$ 200
Land Rental	Nebeker Farms	\$ 1,950
	Total	\$ 59,450

Hotels

With 1066¹ hotel rooms in Cache County, Little Red represents \$ 140,000 to \$ 280,000 economic impact to Cache County in overnight stays.

During Little Red Weekend, there is not a vacant hotel room in Cache County. Some riders have to stay in Brigham City, Preston, Tremonton, because all the Cache County hotels are full. Utah State's Office of Tourism estimates each overnight guest spends \$ 135.

Miscellaneous Purchases

Our riders make individual purchases like meals, gas, bike parts and repairs, souvenirs, etc.

Parking

Cache County Requirement: Plans for Parking

The overall Parking Plan is shown in Figure 2 below.

Parking

We have identified over 3,600 off street parking slots. In addition there is also on-street parking.

During Lewiston's 4th of July celebration nearly 25,000 people attend, which far exceeds the expected participation of Little Red's 3,500 to 4,100 participants, volunteers and spectators.

¹ Cache Valley Visitors Bureau, <http://www.tourcachevalley.com/lodging.php>

Off-Street Parking

We have identified over 2400 off-street parking. We plan to utilize the existing parking around the Lewiston Rodeo and Fairgrounds:

- Fairgrounds Paved Lot 96 Slots
- Fairgrounds grass area and the track infield, 2,200 Slots
- Lewiston Elementary School 75 slots, if we receive permission
- LDS Church and Park Parking lots 102 slots if we receive permission.

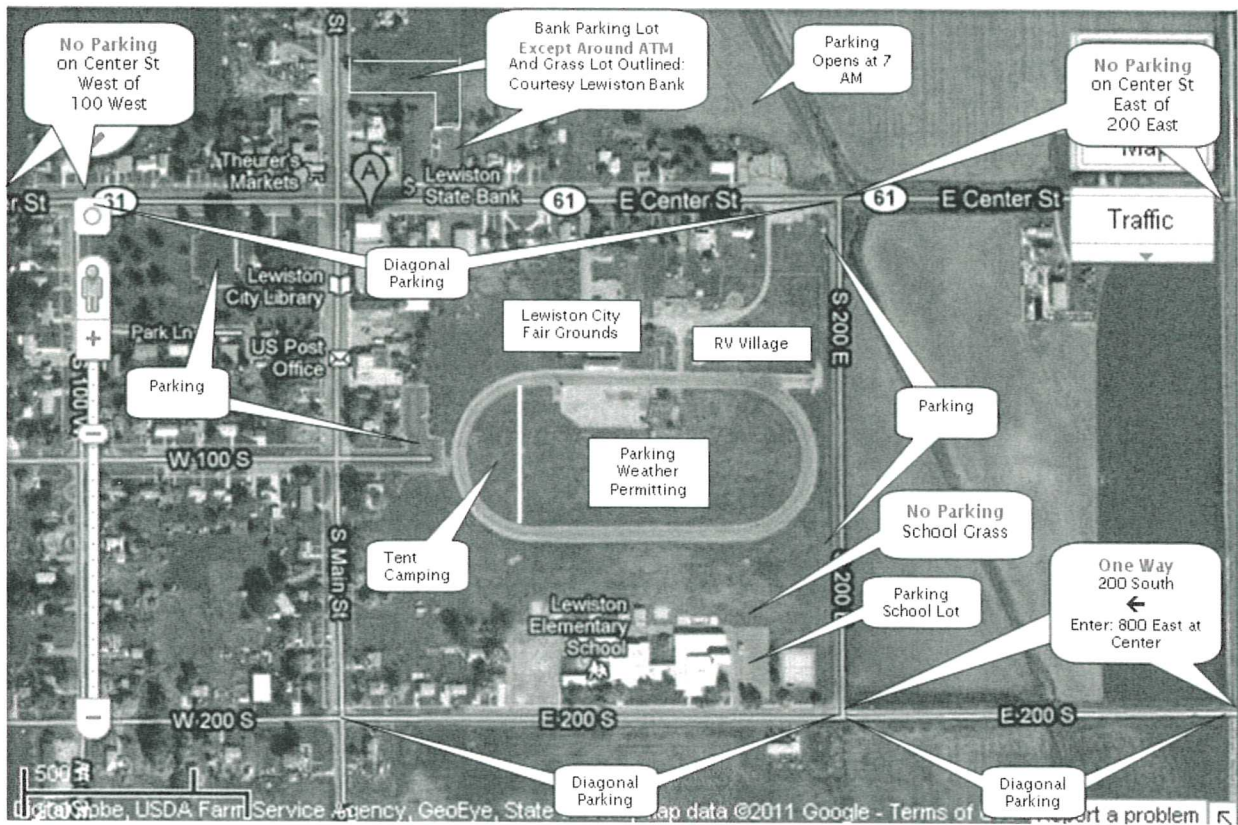

Chase Sessions, a Lewiston landowner, has agreed to rent his land to provide an additional 1200 parking slots. We utilized this land for parking in 2011 thru last year. He has agreed to rent his land to Little Red for Parking again this year.

No Parking Signs will be placed at the Lewiston State Bank to allow their customer to have access to the bank on Little Red Saturday.

Street Parking

The Lewiston City Council indicated that street parking was acceptable with the exception of along Center St (Route 62). We will provide No Parking signs along Center Street where parking is prohibited. We will "plant" these No Parking signs along Center Street, which along with the additional parking spaces virtually eliminated parking along Center Street.

Appendix B—Letter of Support from Cache Valley Visitors Bureau

C A C H E V A L L E Y V I S I T O R S B U R E A U

February 18, 2016

To Whom It May Concern,

The Cache Valley Visitors Bureau is excited to welcome the annual Little Red Riding Hood bicycling event on June 4. Thousands of enthusiastic bicyclists will again be raising funds for breast cancer research and awareness.

Little Red is important to the Cache Valley Visitors Bureau and to local businesses. Attendees fill over 900 hotel rooms plus campgrounds for 1-2 nights. I am impressed with the event organizers' efforts to purchase food and supplies from local Cache Valley vendors, which also benefits our economy.

We look forward to hosting one of the largest women's-only bicycle rides in the nation right here in beautiful Cache Valley. Please contact me with any questions or if I can be of assistance.

Sincerely,

A handwritten signature in cursive script that reads "Julie Hollist Terrill".

The \$ 1,500 fee for your land is good. I will bring a check to your house on Friday June 1st, will that work for you?

I have attached the insurance certificate in your name for our Little Red Event. Let me know if you have any questions.

Thank you for letting use your land for Little Red Parking.

Re: Little Red Riding Hood - 2018

The Cache County Sheriff's Office has reviewed the event request for "Little Red Riding Hood - 2018" and it has been determined that the Sheriff's Office will staff this event on June 2nd. Public Safety will be handled by the Cache County Sheriff's Office as listed in the application submitted by the event sponsor. The Utah Highway Patrol should be responsible for traffic control for any leg(s) of the race that occurs on state roads. The permit can be granted as far as the Sheriff's Office is concerned.

Sincerely,

Sgt. Greg Johnson
