### CONDITIONS OF APPROVAL

1. All participants and volunteers must comply with County Ordinance §8.40 governing special events.
2. **Event organizers must comply with the information as submitted in the Special Event application and the approved current conditional use permit.**
3. Bear River Health Department requires all food vendors must be licensed and permitted.
4. As necessary, event organizers, staff, participants, and spectators must allow access for emergency vehicles in case of a wildland fire. Fire extinguishers must be readily available in the event of a fire.
5. Due to the inherently higher life safety risks associated with special events involving gatherings of more than 1000 people the Cache County Fire District will also require:
  - a. **Fire Watch:** It is essential for public safety in a place of assembly or any other place where people congregate, because of the number of persons, or the nature of the performance, exhibition, display, contest or activity, the owner, agent or lessee shall provide one or more fire watch personal, as required and approved, to remain on duty during the times such places are open to the public, or when such activity is being conducted. [IFC 403.1]
  - b. **Public Safety Plan:** A public safety plan will need to be submitted to the Cache County Fire District a week prior to the event. Where the fire code official determines that an indoor or outdoor gathering of persons has an adverse impact on public safety through diminished access to buildings, structures, fire hydrants and fire apparatus access roads or where such gatherings adversely affect public safety services of any kind, the fire code official shall have the authority to order the development of, or prescribe a plan for, the provision of any approved level of public safety. [IFC 403.2]
  - c. **Crowd Managers:** Trained crowd managers shall be provided for facilities or events where more than 1,000 persons congregate. The minimum number of crowd managers shall be established at a ratio of one crowd manager to every 250 persons. Where approved by the fire code official, the ratio of crowd mangers shall be permitted to be reduced where the facility is equipped throughout with an approved automatic sprinkler system or based upon the nature of the event.

- d. **Apparatus Standby:** As part of the public safety plan, the event organizer is required to have necessary fire apparatus on-site as determined by the Authority Having Jurisdiction (AHJ). Apparatus standby costs shall be reimbursed to the county at standard deployment rate as determined by Utah Forestry, Fire and State Lands rate agreement.
  - e. **Parking:** A parking manager will need to be assigned to oversee effective parking procedures. Parking will only be allowed on green grass and dirt lots without any vegetation. Parking will only be allowed in the appropriate locations shown on the current conditional use permit. The parking manager must follow all Cache County parking restrictions.
  - f. **Fireworks:** Fireworks are not allowed per Authority Having Jurisdiction.
6. Failure to meet any of the conditions of this permit, including parking outside of areas identified in the existing recorded conditional use permit, is a violation of this permit and the recorded conditional use permit (CUP). Violations of the conditions of the CUP will be presented to the County Planning Commission to determine if the existing CUP should be revoked.
  7. Applicant has provided a contingency plan for parking in the case of inclement weather. An email from Richmond City and contracted Fire Chief allowing some parking within the city is in the file.

**AGREEMENT OF ACCEPTANCE**

As the applicant for the special event described above, I hereby agree to comply with all Federal, State, and County laws, ordinances, and regulations before, during and after the event. I further agree to indemnify and save harmless Cache County, its officers, agents, and employees from and against any and all claims resulting from the use of the premises by the Applicant, the Applicant's invitees, licensees, agents and employees. I agree to permit law enforcement personnel the free and unrestricted access to and upon the premises at all times during the event for all lawful and proper purposes not inconsistent with the intent of the permit. I understand and agree that this permit may be revoked upon breach of any of the conditions herein or at the discretion of the authorized officer. I understand that this permit is not transferable and agree not to transfer my permit to any person, corporation, organization or other entity and is only valid within the unincorporated county. In Accordance with Title 8 Section 8.40 of the Cache County Ordinance, I hereby submit and certify that the above information provided is accurate and complete to the best of my knowledge.

Laurie,

The application for the Colbie Caillat concert appears to be in order. Fire standby will require 1 Type 6 brush truck at the top of the venue. I have already talked with John about that. I will be there as well.

In accordance with Title 8 Section 8.40 of the Cache County Ordinance, I hereby submit and certify that the information contained in this application is accurate and complete to the best of my knowledge.

  
 Applicant \_\_\_\_\_ Date \_\_\_\_\_

**Application Deadline:** Completed application forms must be submitted to the Cache County Development Services Office forty-five (45) calendar days before an event is scheduled to take place.
