Hello,

My name is Jacqui Shelton and I'm now managing the Mass Gathering Permit. I reviewed the upcoming special events to determine if any have need for a Mass Gathering Permit and have determined that only the Little Red Riding Hood Bike Ride needs one, and they've already gone through the permitting process. The following are my notes for each event if you'd like more details.

Let me know if you have any questions.

May 14- Smithfield Health Days Fun Run- No Mass Gathering permit necessary. 450 people are reported to be in attendance (participants, volunteers, spectators, and staff). Mass Gathering permit is needed when 1000 people are in assembly for 2 or more hours in an area not designed for that occupancy or use.

May 21 - Cow-A-Bunga Race- No Mass Gathering permit necessary. About 100 people are expected to be in attendance (participants, volunteers, spectators, and staff).

June 4- 16 Crossings Trail Run- No Mass Gathering permit necessary. 150 people are expected to be in attendance (participants, volunteers, spectators, and staff).

June 4- Little Red Riding Hood Bike Ride- Does need a Mass Gathering permit, and one was mailed out on 3/10/2022.

June 11- Ragnar Spring Wasatch Back- No Mass Gathering permit necessary. Spoke with Julia Bullard on the phone, given the way they are staggering the start a mass gathering permit won't be necessary (high end estimation of 300 people at the start at any given time).

June 18- Logan Peak Trail Run- No Mass Gathering permit necessary. 195 people are expected to be in attendance (participants, volunteers, spectators, and staff).

June 25- Bike MS- No Mass Gathering permit necessary. 985 people are expected to be in attendance (participants, volunteers, spectators, and staff).

July 9- Cache Valley Super Sprint Triathlon 17th Annual- No Mass Gathering permit necessary. Less than 250 people are expected to be in attendance (participants, volunteers, spectators, and staff).

September 17- Top of Utah Marathon- No Mass Gathering permit necessary. The event is anticipating 1000 participants, but they will not be in the same place for 2 or more hours as the races will be staggered.

Thanks,

Hi Matt and Joel,

Richmond is having their annual Black and White Days celebration.

One of the Cow-A-Bunga runs will be located partially on County Roads as is the longer Stampede Bike Races. (See attached)

Are there any concerns or conflicts with County road improvement projects?

If you can let me know by **Wednesday, May 18th** that would be great.

Thanks,

In accordance with Title 8 Section 8.40 of the Cache County Ordinance, I hereby submit and certify that the information contained in this application is accurate and complete to the best of my knowledge.

Applicant Date

Application Deadline: Completed application forms must be submitted to the Cache County Development Services Office forty-five (45) calendar days before an event is scheduled to take place. This allows sufficient time for evaluation of the application. Late applications shall be denied unless the applicant demonstrates that compliance with the 45 day deadline was impractical or impossible due to the nature of the event. A special event permit application may be approved and a permit issued to the applicant by the Director upon approval by all the agencies specified in Section 8.40.40.

Authority: Cache County has no authority to approve permits for events other than in the unincorporated area of Cache County. Permits issued by Cache County apply only to the unincorporated area of the county, and if an event crosses into a municipality within Cache County or across the county line, applicants should determine if a permit is necessary in the other jurisdiction.

Right to Deny: Cache County reserves the right to deny permit applications for proposed special events which may pose, or have posed a significant danger or threat to the public health, welfare or safety, or which may result in unreasonable inconvenience or cost to the public. In the event the application is denied, the applicant may appeal to the Cache County Executive.
