

2020

ANNUAL REPORT

Sheriff D. Chad Jensen

Message from the Sheriff...

Dear Cache County residents,

Thank you for reviewing the Cache County Sheriff's Office 2020 Annual Report. 2020 was an unprecedented year. Our country struggled to understand a pandemic that swept the nation and a movement that had, and still has, major impacts on Law Enforcement.

It has been my privilege to serve as Sheriff during these trying times. I have been so impressed watching our citizens as they work together when terrible things were taking place across our state and the country. The support we received from our residents was incredible, as many of you stood to defend those of us who chose to be in Law Enforcement and what we stand for.

Our deputies had to maintain a positive demeanor while an anti-police and "defund the police" movement swept our nation. Many CCSO deputies volunteered to work across the state to assist and cover for agencies feeling the impact of these riots and in doing so put themselves in danger to protect the citizens of Utah.

Although many businesses were closed, due to the Coronavirus pandemic, and countless people across the world were sent home to work remotely, our staff kept coming to work every day. They stepped up and volunteered to cover shifts for co-workers who were positive with the virus, or had family members test positive, and were quarantined at home.

It has been humbling to see our staff work through the issues associated with the pandemic and still come to work with a smile on their face and the determination to protect and serve the citizens of Cache Valley.

2020 is a year we will never forget. In many ways, Covid-19 has forever changed the way we go about our daily lives. The civil unrest and anti-police movement will forever change how law enforcement officers will fulfill their duties to protect and serve. Throughout all this, one thing will never change. That is the way we work together as a community to overcome any obstacles thrown our way.

Sheriff D. Chad Jensen

RESPECT
RESPONSIBILITY
TRUSTWORTHINESS

2020 Budget

The Sheriff's Office budget is comprised of five major components: Administrative, Criminal, Emergency Management, Jail, and Support Services.

The Sheriff's Office employs several processes to conserve tax dollars, such as the extensive use of volunteers when appropriate, inmate labor for building and grounds work, securing beneficial state and federal grants, and careful scrutiny of expenses for daily operations.

**Includes Animal Control*

***Includes Search & Rescue*

Awards

Governor's Twenty - Travis Ricks and Jordan Hopkins

Receiving the Governor's Top Twenty award is a highly prestigious recognition. Hundreds of law enforcement officers throughout the state compete in multiple stressful and difficult stages of fire where speed, accuracy, weapons handling, and critical thinking are tested. Only the best performers earn the Governor's Top Twenty award - The best law enforcement shooters in the state.

We are pleased to announce that Cache County Sheriff's Office Deputies Travis Ricks and Jordan Hopkins have been honored as the Utah Peace Officers Association Governors Top Twenty recipients for the 2019 shooting season.

Outstanding Achievement Award - Jail - Phillip Yahne

The Outstanding Achievement Award is presented to the deputy or staff member that excel in the performance of their duty above and beyond that which is required during their daily course of work. They have exercised competence and have been able to inspire others to improve the quality of their work.

Deputy Phillip Yahne is very respected by co-workers and inmates alike. He has been credited for spearheading nearly 90% of all the jail cell searches on his shift and has been responsible for most State Inmate property matters. He is proactive, completing extra duties in addition to his regular duties. Deputy Yahne has mentored, or trained nearly every deputy in the control rooms.

Outstanding Achievement Award - Patrol - Reed Tanner

The Outstanding Achievement Award is presented to the deputy or staff member that excel in the performance of their duty above and beyond that which is required during their daily course of work. They have exercised competence and have been able to inspire others to improve the quality of their work.

On June 1, 2019, a call came out for a suicidal individual confronting an ex-girlfriend. Sergeant Reed Tanner was one of the first on-scene. His plan of action to separate the ex-girlfriend from the subject allowed others to focus on the suicidal individual. After a shot was fired, some of the less experienced officers ran toward the subject, Sgt. Tanner realized this was an officer safety issue and called them back to ensure their well-being. He then formed an immediate action team and used cover and concealment to make his way into the home, where the male subject was found deceased from a self-inflicted gunshot wound.

Outstanding Achievement Award - Support Services - James Astle

The Outstanding Achievement Award is presented to the deputy or staff member that excel in the performance of their duty above and beyond that which is required during their daily course of work. They have exercised competence and have been able to inspire others to improve the quality of their work.

On May 25, 2019, a 5-year-old girl was reported missing. The search quickly increased in size and scope, which included hundreds of searchers covering many square miles of area needing to be searched.

Sergeant James Astle used his knowledge of the Mission Manager program, used by Search and Rescue, bringing order to the vast search. He was able to keep searchers organized, show areas that needed to be searched, as well as document the areas that had already been searched.

Citizen's Award of Appreciation - Pastor Don Woody

The Citizen's Award of Appreciation is presented to private citizens who have provided valuable service to the Cache County Sheriff's Office.

This past year, Pastor Don Woody (Chaplain for the Cache County Sheriff's Office) has been part of planning and organizing the Peer Support program for employees of the CCSO. He has taken part in training, and offered his church as a training location for local Law Enforcement, Fire and EMS for Critical Incident Training. Pastor Woody has been a valuable resource to the Cache County Sheriff's Office, participating in swearing-in ceremonies and providing relief and treats to staff during the Covid-19 pandemic

Lifesaving Award - Kyle Smith, Tyler Moake, Lindsay Workman, Michael Merrill and Victoria Carver

The Lifesaving Ribbon is presented to employees who were directly involved in saving the life of another; for actions, if not taken, would have most likely resulted in the death of a person, whether on or off duty.

On August 20th, 2019 a Cache County Jail inmate contacted pod control, stating that his cellmate was hanging himself. Deputies Smith, Moake, Workman, Merrill and Carver responded to the inmate's cell and observed an inmate hanging from the top bunk. They quickly hoisted the inmate up and removed the sheet from around his neck, saving the inmates life.

Lifesaving Award - Derek Spence, Lindsay Workman, Cordell Ballard and Sage Peery

The Lifesaving Ribbon is presented to employees who were directly involved in saving the life of another; for actions, if not taken, would have most likely resulted in the death of a person, whether on or off duty.

On February 23rd, 2020 an individual was brought into the jail intake area. He was placed in an intake cell due to his erratic behavior and suicidal comments. The inmate had managed to conceal the draw string, from his sweatpants, from deputies which he then tightly wound around his own neck. Deputy Peery immediately noticed what he had done and radioed for assistance. Working together, Deputies Spence, Workman, Ballard and Peery quickly extracted the inmate from his cell and removed the drawstring from around his neck, saving his life.

Lifesaving Award - Brock Byington

The Lifesaving Ribbon is presented to an employee who was directly involved in saving the life of another; for actions, if not taken, would have most likely resulted in the death of a person, whether on or off duty.

On January 26, 2020, Deputy Brock Byington was working in the jail booking area. After lunch had been served, a female inmate in the booking area began pounding on her cell door indicating she was choking. Deputy Byington, immediately responded and performed the Heimlich Maneuver on her, dislodging the obstruction in her throat, saving her life.

Lifesaving Award - Jordan Hopkins

The Lifesaving Ribbon is presented to an employee who was directly involved in saving the life of another; for actions, if not taken, would have most likely resulted in the death of a person, whether on or off duty.

On February 6, 2020, Deputy Jordan Hopkins was dispatched to a medical call in Nibley. Upon his arrival he found a male had overdosed on heroin. He administered CPR to the patient until emergency responders arrived and were able to administer Narcan. At this time the patient began to breath on his own again, making a full recovery.

Deputy of the Year – Jail Division - Jeremy Francis

The Deputy of the Year Award is presented to a deputy or other staff member for exceptional or distinguished service during the year.

Deputy Francis is known to many co-workers at the Sheriff's Office as a good person and a great friend. He is always willing to drop everything to help a co-worker in need.

This past year, Deputy Francis is credited with being there for a co-worker who was having a hard time and just needed a friend to pull them back from the brink. Deputy Francis immediately put everything in his life on hold to help this person. This individual credits Deputy Francis for being there for them during their darkest hour and possibly saving their life.

Deputy of the Year – Patrol Division - Bryce Chesnut

The Deputy of the Year Award is presented to a deputy or other staff member for exceptional or distinguished service during the year.

On May 25, 2019, a call came out regarding a missing child and her uncle. After a few hours, a tip came in that they may have been seen at a gas station in Wellsville. Deputy Bryce Chesnut made the decision to patrol a remote area to the south and noticed the uncle walking on a road.

At this time, Deputy Chesnut made contact with the uncle, which led to recovering some evidence that made it possible to take the uncle into custody for the death of the five-year-old child.

Administrative

The administrative division is responsible for the general running of the Sheriff's Office.

It provides administrative and logistical assistance to all the departments of the organization.

Administrative staff includes:

- Finance and Payroll
- Spillman Administrator
- Community Liaison
- Evidence
- GRAMA
- Records
- Transcription

Emergency Management

Emergency Management is responsible for operating the County EOC (Emergency Operations Center) and coordinating countywide disaster efforts.

Maintenance

The Sheriff's Office maintenance staff are responsible in keeping the Sheriff's Office property, equipment and buildings in good condition through preventive maintenance and ongoing repairs.

Custodial

The Sheriff's Office custodial staff work in the office and correctional areas of the Sheriff's Office to make sure the building is kept safe and clean.

Emergency Operations

The Cache County **Emergency Operations Center (EOC)** is located at the Sheriff's Office Complex, and is managed by the Cache County Office of Emergency Management. The EOC serves as the central point for exercising direction and control by County government, and for coordinating emergency response and recovery operations during times of emergency or disaster.

Floods, earthquakes, severe storms, landslides, hazardous material spills, and search and rescue operations are examples of emergencies or disasters that may require centralized direction and control through the EOC.

This centralized direction and control is facilitated through the efforts of emergency responders, staff, volunteer agencies, non-governmental organizations, and elected and appointed officials who have assigned emergency support and coordinating responsibilities within the EOC. Coordination of activities ensures that all tasks are accomplished with little or no duplication, and with the highest probability of success.

Day-to-day operations include maintaining situational awareness and disseminating information. The EOC is ideally suited for this because of numerous phone lines and other communications capabilities. Day-to-day operations may also include managing Amber Alerts. If an Amber Alert is ordered in the County, the EOC serves as the call center for receiving tips and gathering information related to the alert. The EOC will serve as the central point of disseminating Amber Alert information to the public.

The EOC is equipped with emergency supplies, communications equipment, computer-based reference materials, and activity logs. It has backup power and lighting, along with the other tools necessary to function in emergency or disaster situations.

The EOC is also equipped to serve as an alternate Emergency 911 Dispatch Center.

To ensure all response and recovery tasks are accomplished with the highest probability of success, the EOC facilitates a county-wide "Training and Exercise" program. Within the past year, training has been provided to a number of emergency responders, staff, volunteers, faith-based groups, and elected and appointed officials.

EMERGENCY OPERATIONS ACTIVITIES FOR 2020

Disasters/EOC

Activation or Response Levels/Disaster Declarations

- Magna Earthquake Aftershocks - EOC Activation Level 2-No local declarations
- COVID-19 - EOC Activation Levels 2 & 4-Two local disaster declarations
- Hyde Park Wildland Fire - EOC Activation Level 3-No disaster declarations

Dam Inspections with State Dam Engineer:

- Logan First Dam
- Tony Grove Dam
- Porcupine Dam
- Wellsville Reservoir
- Blacksmith Fork/Hyrum City Dam

Disaster Training Courses (participated in):

- Citizens Responses to Active Shooter Event (Train the Trainer)
- Stop the Bleed
- WebEOC for Local Emergency Managers
- NFIP Workshop-Substantial Damage-Substantial Impact
- Railroad Hazmat-Locomotive 101 & Rail Safety Training
- Sports Event Facility Evacuation During Hostile Events
- Economic Recovery from Disaster (for Local Governments)
- Rapid Needs Assessment
- FEMA Advanced Academy- Leadership & Team Building (for Emergency Managers)

Emergency Management Projects/Programs (participated in or conducted):

- COVID 19 response - PPE acquisition and delivery for 1st responders, communities, schools and business'
- COVID 19 response - Organized the Bear River COVID 19 Relief Coalition (Bear River VOAD group), and sponsored BRVOAD website development
- COVID 19 Food Delivery program - assisted in delivering food to quarantined individuals throughout cache county
- COVID 19 - Joint Information Center support - worked with Public Information officers (PIOs) from BRHD and Cache County
- Cache County Private Sector Resilience Group (PSRG) participation with Cache Chamber of Commerce
- 2020 Emergency Response Guidebook delivery for local Law enforcement agencies
- Red Cross Evacuation Shelter survey participation for Cache Event Center and Green Canyon High School
- Flooding Preparedness - Update county Sandbag inventory/Sand Storage Container at Sheriff's office/Sandbag attachments for Public Works Sand trucks - delivery to 11 cities
- County EOC updates - update 800 MHz handheld radios, situation unit software development, Video conferencing software and Camera purchases
- Sponsored Preparedness Specialists Monthly Roundtable
- Tents for medical examiners / mass fatality investigations
- Assisted with Active Shooter Exercise Development & Planning with county HECC group
- Assisted with County IT cybersecurity audit and Sophos IT Software upgrade grant purchase

Animal Control

The Cache County Sheriff's Office contracts with 11 cities and towns for a variety of animal control services. In August 2015, the position was designated as a civilian position rather than a sworn deputy position. We now have three full-time animal control positions.

Patrol

Since the election of Cache County's first Sheriff in 1857, the primary mission of the Sheriff has been to preserve the peace and make all lawful arrests. The deputy sheriffs in Patrol continue a strong commitment to that mission. The Cache County Sheriff's Office contracts with 14 cities and towns, the U.S. Forest Service, Cache County School District, and Cache Valley Transit District to provide law enforcement services.

School Resource

There are eight deputies that work in the School Resource unit; one supervisor and seven deputies. Two of these deputies teach a N.O.V.A. program over a 14 week period at the elementary schools in the Cache School District. The other five deputies and school sergeant respond to calls for service within the schools which otherwise would have to be handled by a patrol deputy.

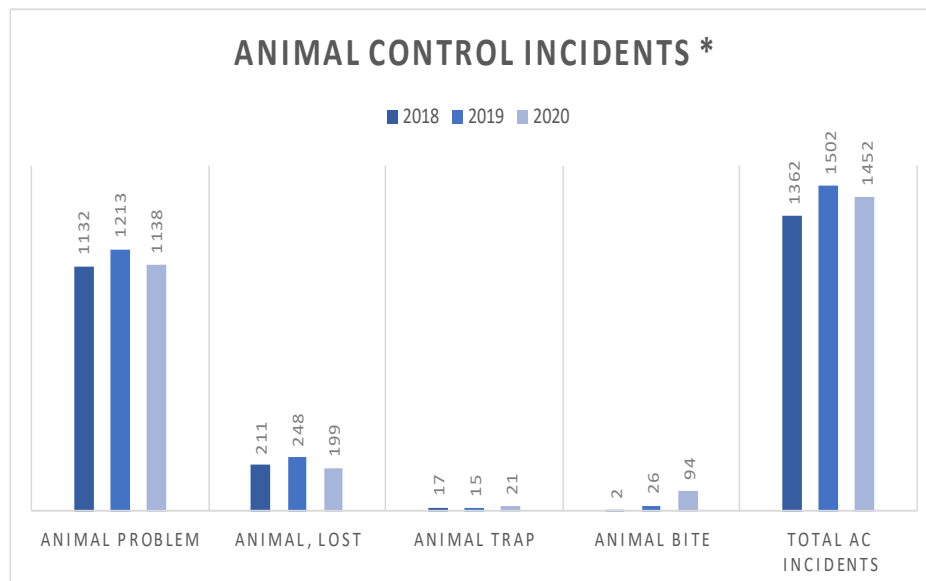

Medics

The Sheriff's Office was the first organization in the state to get a licensed Paramedic Tactical Rescue Unit license. We brought on part-time employees who are full-time paramedics. They have attended our basic SWAT course and regularly attend our SWAT training. These medics are trained to go into mass casualty events and work to save lives. They bring a wealth of knowledge and experience to our organization and continue to prove invaluable in our planning for any catastrophic events.

Animal Control

Animal Control is a service provided by the Criminal Division under the direction of the administrative sergeant. There are three full-time civilian employees working in the Animal Control unit that respond to animal calls and patrol for animal problems. In 2020, Animal Control responded to 1,452 incidents in Cache County.

Contract cities receiving this service benefit from accurate documentation of ongoing problems and nuisances that may fall through the cracks with an on-call animal service. Other advantages of having a law enforcement employee assigned to this service are a working relationship with the various city prosecutors and access to all the resources of the Sheriff's Office to safely and humanely handle animals.

**Included in the overall total number of incidents responded to by Cache County Sheriff's Office.*

School Resource

The **School Resource unit** consists of seven deputies and one sergeant. Deputies are assigned to work with the staff and students at the high schools (Sky View, Mountain Crest, Ridgeline, and Green Canyon) and middle schools (South Cache, North Cache, and Spring Creek). Two deputies teach the NOVA program at the elementary schools in the Cache County School District.

The **School Resource** deputies investigate crimes within the schools and work with school administrators on safety issues concerning the schools. They also provide a level of security within the schools by their presence.

The School Resource deputies also work with the Bear River Health Department by conducting alcohol compliance checks.

Alcohol Compliance Checks

The Cache County Sheriff's Office, in cooperation with the Bear River Health Department, conduct alcohol compliance checks in accordance with the EASY alcohol program funded by the State of Utah. Checks are conducted four times per year. The purpose of the checks is to prevent the sale of alcohol to underage youth.

How Compliance Checks Work

A youth, at least 18 years of age, goes into a retail store that sells alcohol and tries to purchase alcohol. The buyer is instructed to be honest and follow a particular set of rules outlined by the State of Utah. If a purchase is made, the store clerk is cited or referred to court, and the store is fined by the city in which the violation occurred.

Compliance

In 2020, approximately 19 retail stores were checked two times throughout the year. Out of 38 attempts to purchase alcohol by an underage buyer, three buys were successful. The retail stores of Cache Valley were 92% compliant in not selling alcohol to underage buyers.

NOVA

The acronym N.O.V.A. stands for nurturing, opportunities, values, and accountability. The mission of N.O.V.A. is nurturing youth to seek out positive opportunities, to internalize good values, and to accept accountability for life choices. N.O.V.A. assists parents, families, and communities in protecting youth from the potentially devastating effects of illegal drug use, violence, and negative media exposure.

The N.O.V.A. program is taught over a 14-week period with deputy sheriffs in the classrooms usually once a week. Topics covered include drugs and alcohol, opportunities and accountability, moral courage, self-esteem, heroes, anger management, teasing, bullying, evaluating media such as television, movies, video games, internet safety, music, and gangs.

Patrol

The peace officers assigned to Patrol have a strong commitment to the preservation of peace and making lawful arrests. They uphold that mission by gathering intelligence on criminals, investigating their activities, and ultimately arresting and prosecuting them. The lives and liberties of Cache County's residents are further protected by the Patrol unit's response to public emergencies of many varieties, traffic enforcement, public safety, crime prevention programs, and civil dispute resolution.

In addition to preserving the peace and making arrests, Patrol deputies are a representative of the Sheriff in the communities that the office serves. The Sheriff's Town and Area Representative (STAR) Deputy program was organized to enhance communication and service between the Sheriff's Office and the individual communities. Each deputy is assigned to a particular city or town, and together they work to resolve community issues.

The Patrol Division consists of 26 deputies and four sergeants. With a total of 11,850 calls for service this year, the Sheriff's Office deputies (patrol, animal control and school resource deputies, 41 total) responded to an average of 289 incidents per deputy.

Patrol division includes:

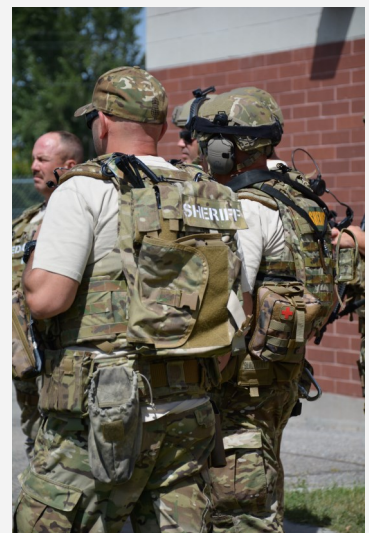

STAR Deputy - The STAR (Sheriff's Town and Area Representative) Deputy Program was developed to provide each citizen with a direct link to the Sheriff's Office. A STAR Deputy is assigned to each city in the county. The Deputy attends the monthly city council meetings and assists them with things such as Neighborhood Watch, National Night Out Against Crime, and anything else the city is in need of. Citizens are encouraged to contact their STAR Deputy with any questions or concerns they may have.

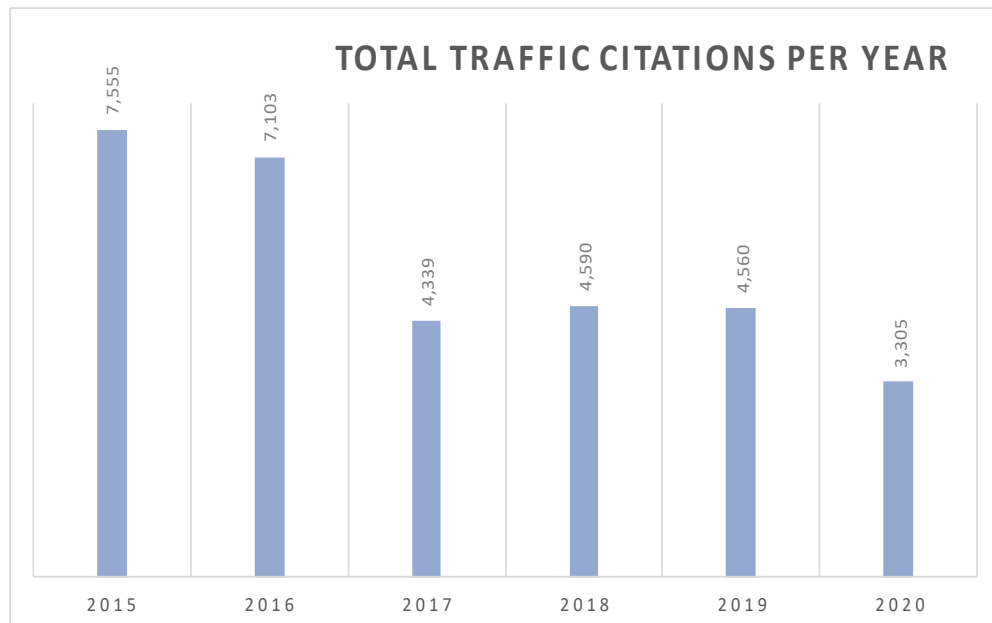

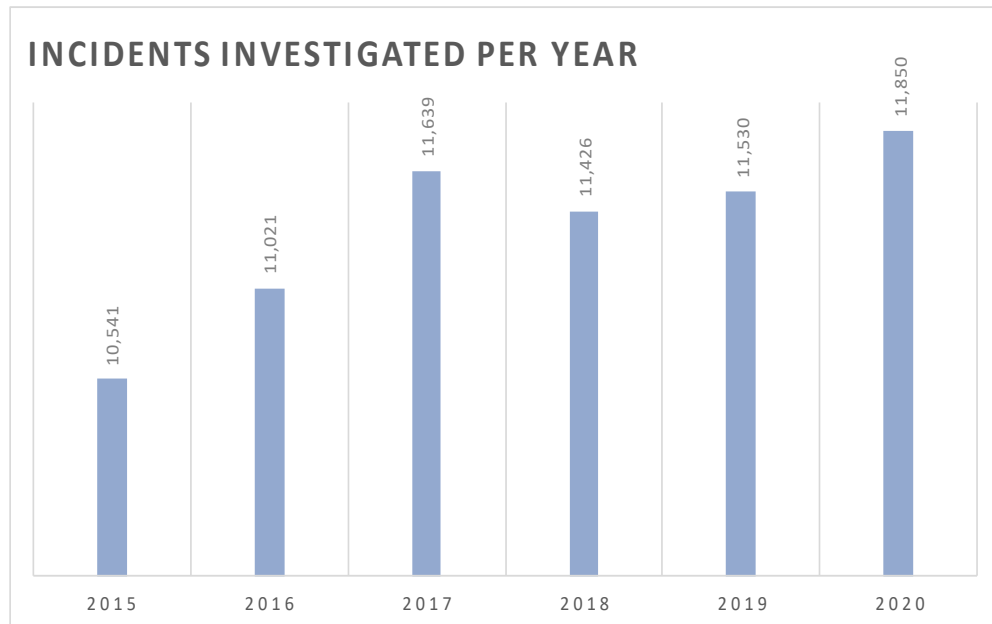

Motors - Given their inconspicuous presence and maneuverability, the motors are an effective tool for general traffic enforcement. After specific traffic problems or issues are communicated to the motor deputies through input from citizens or other deputies, concentrated enforcement activity is initiated to resolve their concerns. The motors are also placed into service for parades, city celebrations and events, National Nights Out, and military and funeral escorts.

Bicycle Patrol - The goal of the Bike Patrol Unit is to educate, protect, and enforce. The Bike Patrol Unit assists the public with education, bike rodeos, public talks, parades, presentations, protection and enforcement.

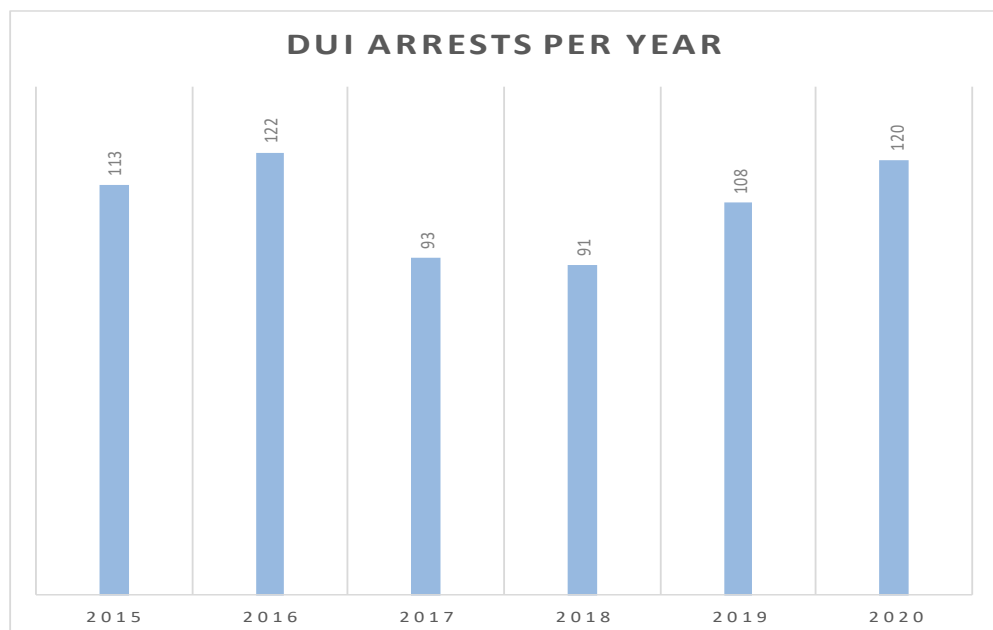

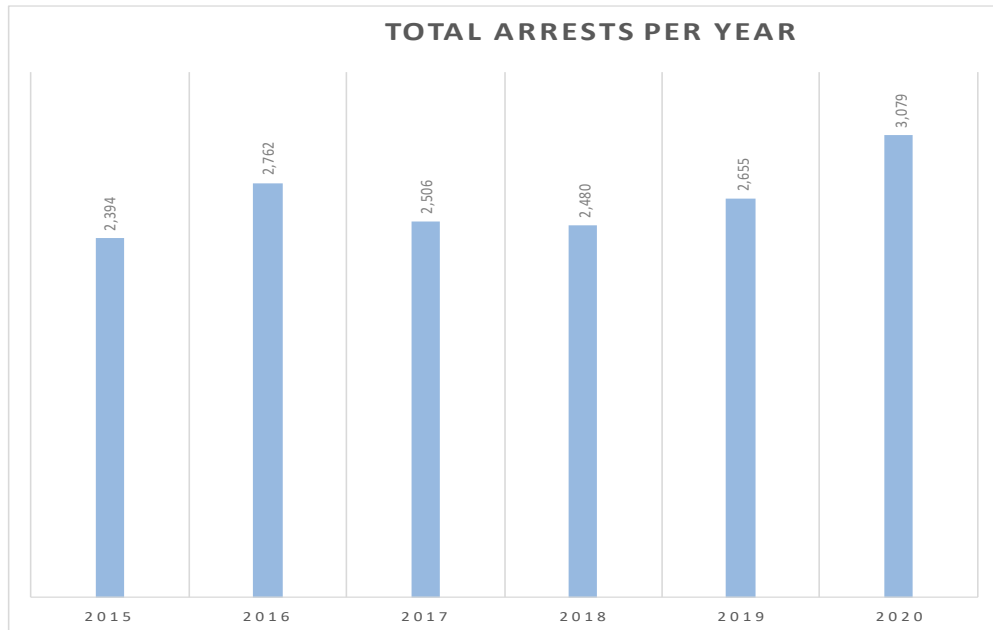

K9s - The Cache County K9 Division consists of two K9s and their handlers. Responsibilities include tracking criminal suspects, drug detection and general patrol duties. They also go to schools, fairs and other public events to demonstrate the important work they do.

SWAT - The Cache County Sheriff's Office SWAT (Special Weapons and Tactics) team is a highly trained group of deputies tasked with the responsibility of handling and resolving extremely high-risk situations. Utilizing team tactics, special weaponry, specialized equipment and other tactical skills, the SWAT team handles hostage rescue operations, armed and barricaded suspects, high risk warrant entries and any other situation requiring the team's skills and abilities.

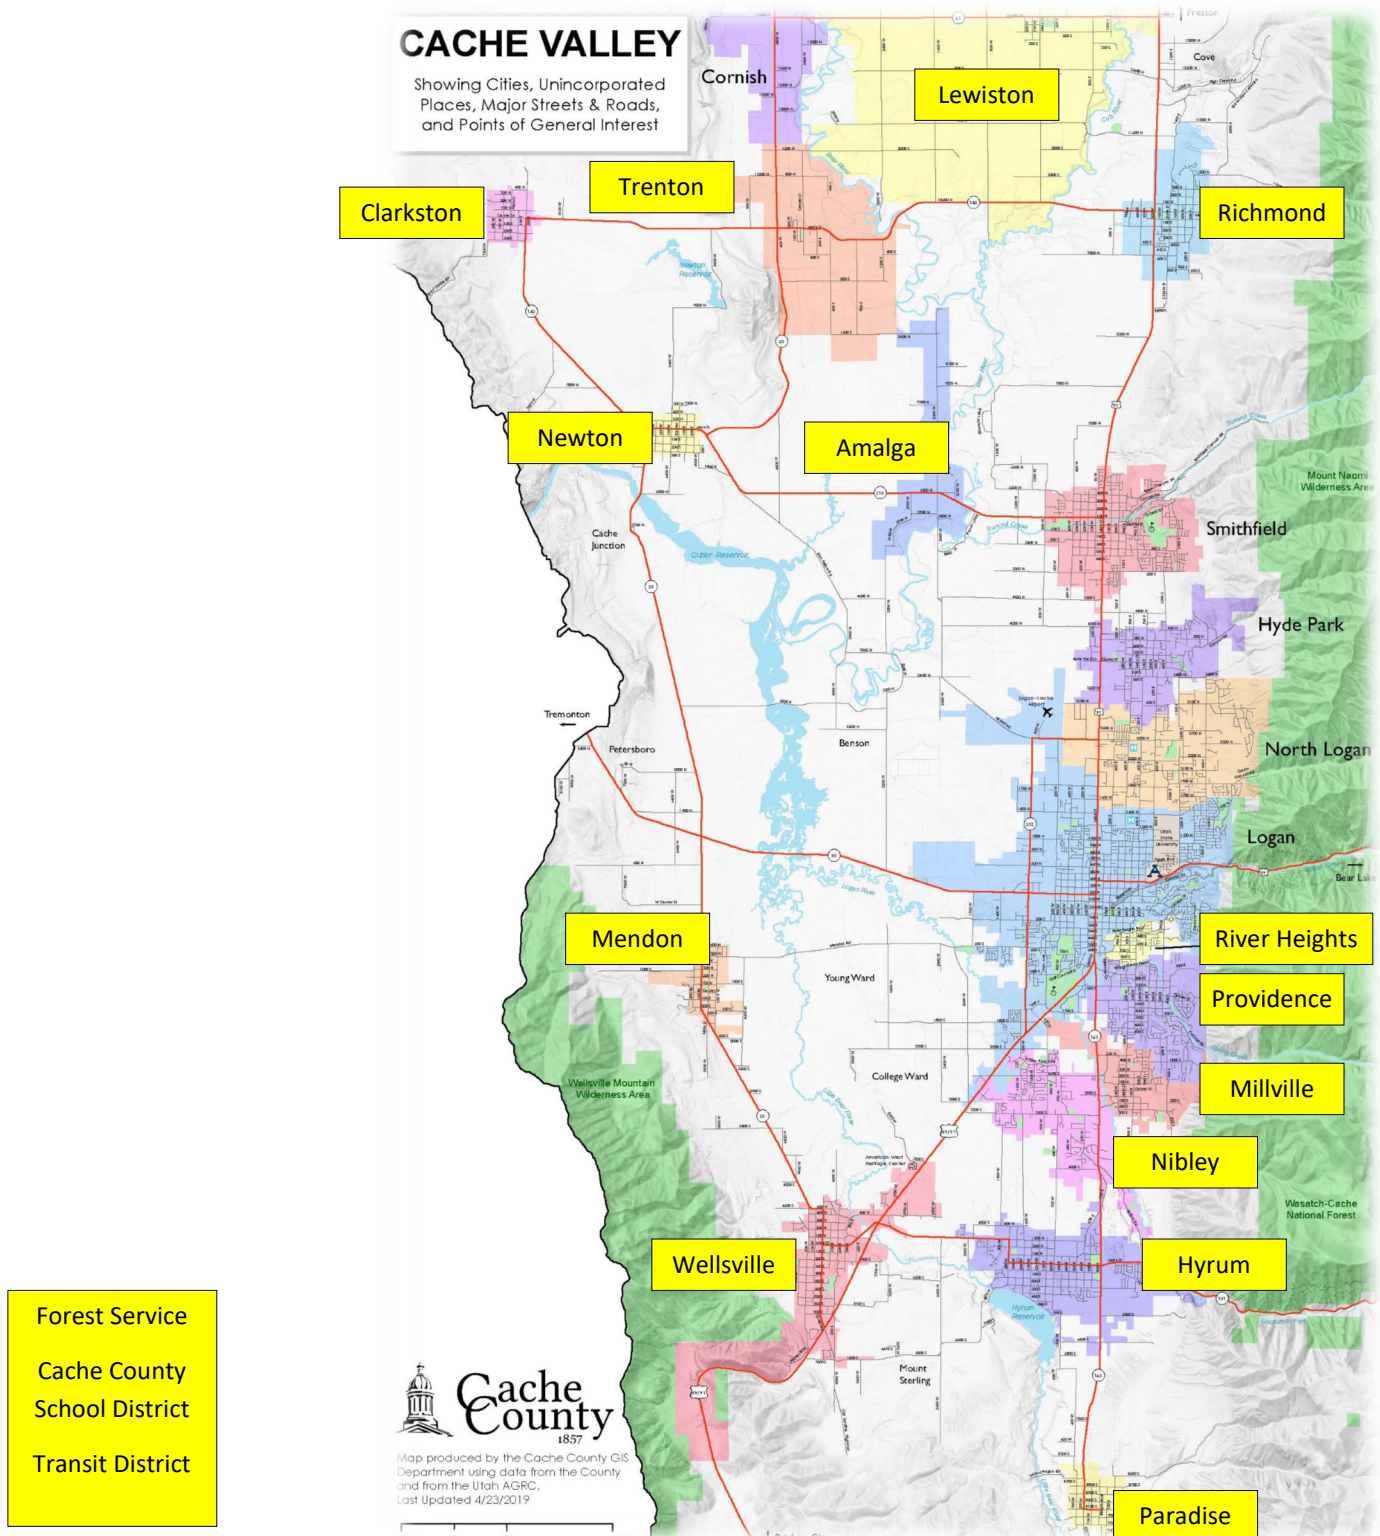

2015 • 2016 • 2017

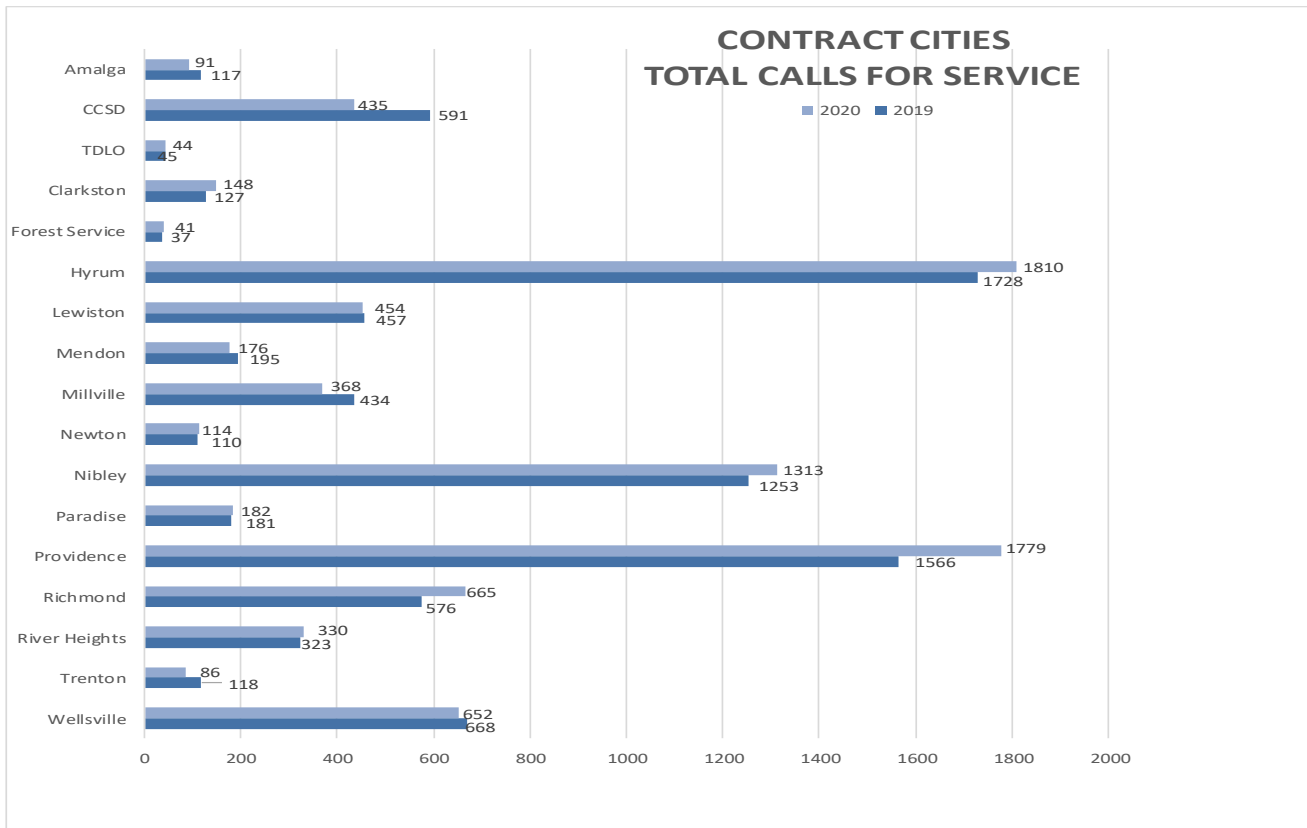

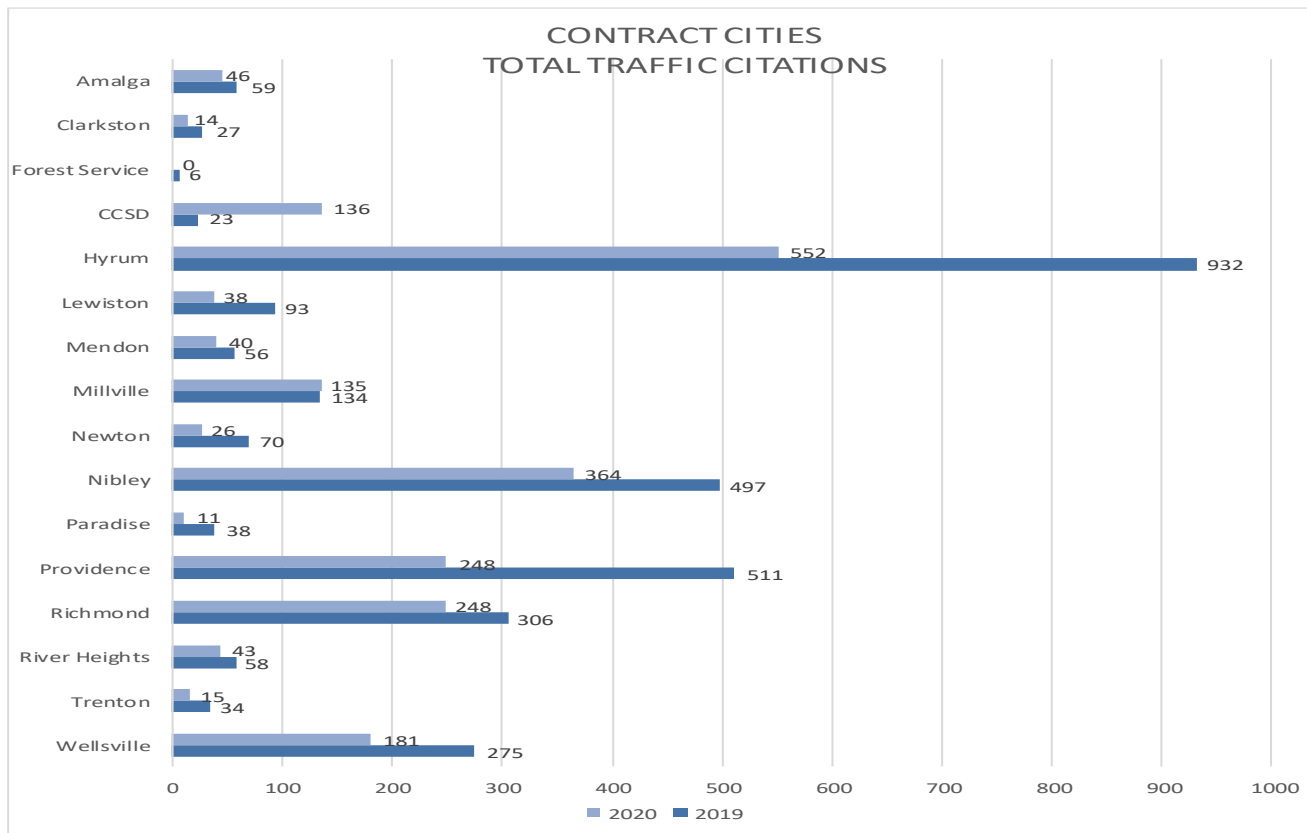

2018 • 2019 • 2020

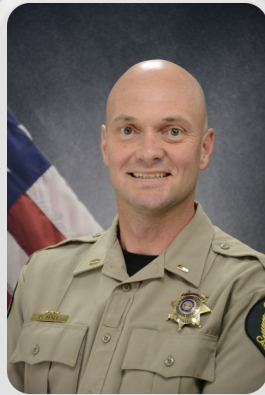

Contract Cities

The Cache County Sheriff's Office contracts with 14 cities and towns, the U.S. Forest Service, Cache County School District, and Cache Valley Transit District to provide law enforcement services. This provides those cities with municipal-type law enforcement services in an economical manner.

Administrative Staff

The administrative staff is responsible for inmate accounting, including the processing of bail, medical billing, and billing other agencies for housing. The jail accreditation program is also managed through the Administration office.

Corrections

Corrections deputies are responsible for the safety and security of all inmates and staff within the Cache County Jail. Their duties also include booking inmates in and out of the facility and inmate recreation.

Inmate Programs and Services

Inmate Services is responsible for inmate commissary, inmate programs, classification, work release, work diversion, greenhouse, and county worker programs.

Medical

The medical staff is responsible for all inmate medical care.

Transportation

Transportation deputies are responsible for transporting inmates to court appearances, medical and dental appointments, Utah State Prison, or the Utah State Hospital.

Corrections

Corrections deputies ensure that the jail is a secure, humane, and fair environment for inmates. The deputies work to create a positive opportunity for inmate behavioral change and reintegration into society. All inmates are treated in a courteous manner, without regard to personal prejudice by reason of gender, race, religion, or political affiliation. The deputies are responsible for the day-to-day functions within the jail.

It is the mission of the Cache County Jail to provide inmate housing while upholding the values and ethics of the Cache County Sheriff's Office. This is done by providing a constitutionally acceptable environment that will ensure safety and security to the community, staff, and inmates. The accomplishment of these goals and other mandated court requirements is facilitated through cost effective management. Qualified staff create a positive atmosphere where participating inmates may advance to a less restrictive environment. It is the responsibility of the Sheriff and his employees to provide services to fulfill the requirements of the United States Constitution, Utah State statutes, and decisions of all courts of jurisdiction.

Inmate Population by Demographics on 12/31/2020	
Demographic Factor	Population
All Inmates	291
Female	22
Male	269
Crime Classification	
First Degree Felony	25
Second Degree Felony	28
Third Degree Felony	42
Class A Misdemeanor	16
Class B Misdemeanor	4

Inmate Programs

The Sheriff's Office has several work programs in place for inmates. The public appreciates the service given and the overwhelming majority of inmates in the programs feels a sense of accomplishment.

Work Diversion

Work Diversion is another work program that offers opportunities for those sentenced to do community service. This program is being used by many of the local courts including First District Court, Logan Municipal Court and other justice courts. This program provides many benefits to the court system, the community and to the individuals sentenced to the program.

In 2020, a total of 1,622* hours of community service were offered to 15 different organizations in Cache Valley. These service hours provided for work to be done that otherwise would have had to be paid for by local tax payers. The Work Diversion program focuses its efforts in assisting non-profit and government agencies, which maximizes the benefit to local tax payers.

At the same time, this program provides an alternative means of punishment other than incarceration. Many of the individuals who are sentenced to this program are young adults who have committed minor infractions ranging from traffic violations to alcohol violations. These young adults do better working off their fines and punishments than spending several days in jail. By being sentenced to the work diversion program, they can provide a visible benefit to the community, work off fines that otherwise would be financially burdensome while avoiding negative life lessons that too many incarcerated individuals seem to want to provide to newer inmates.

Inmate Work Programs

There are 40 positions within the jail for inmates to work. Inmates allowed to work within the facility do so in the kitchen, laundry, library, and as janitors. Inmates allowed to work outside the facility work at the Food Pantry, American West Heritage Center, Sheriff's Office greenhouse, County Fairgrounds, Logan Landfill, and Zootah. There are also work crews that work with supervision on the county and Sheriff's Office grounds. Inmates working outside of the jail provided approximately 5,000 work hours this year.

Inmate Programs

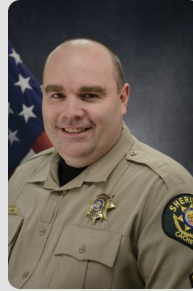

Inmates are provided with a variety of programs which they can participate in during their incarceration. These programs include:

Civil/Training

The employees in the Civil office are dedicated to the service of civil and some criminal processes and papers. The training department coordinates training for the entire office.

Court Security

Court Security provides general security for the First District Court complex and bailiff services for the courtrooms.

Investigations

The detectives in Investigations are tasked with investigating the major crimes that occur in the county, focusing on felonies, rape, child abuse, drugs, computer crimes, fraud, and other major cases.

Probation Unit

The agents in the Probation Unit supervise adult offenders in the community through a structured program while providing community protection.

Volunteers

The volunteer coordinator is responsible for all volunteer groups such as Search and Rescue, Explorers and ARES.

IT Department

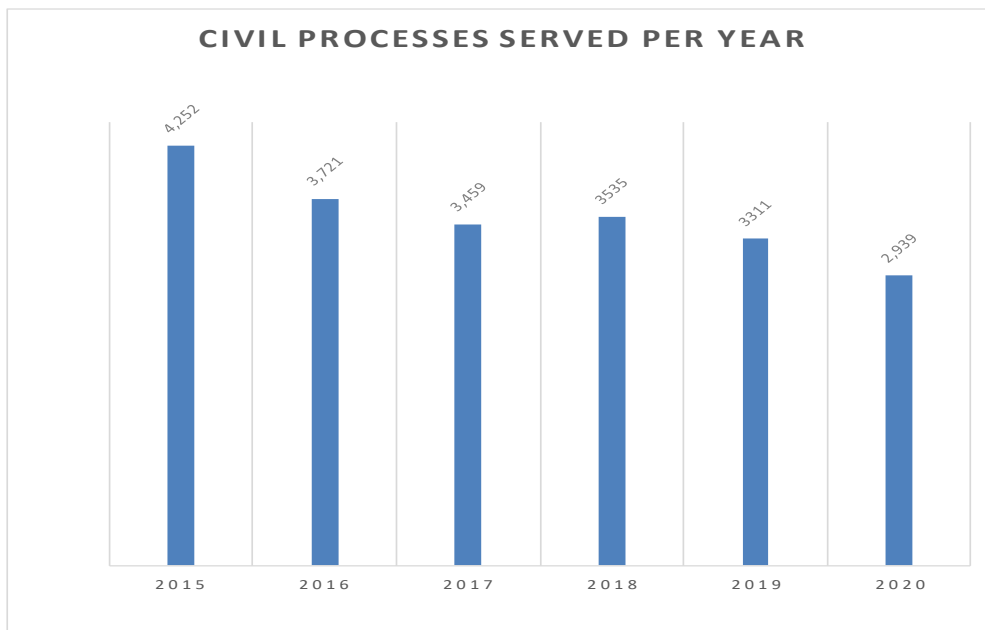

The Information Technology department is charged with establishing, monitoring and maintaining information technology systems and services.

Civil Division

The **Civil** unit provides timely service of all processes brought to the Sheriff's Office, as well as executing court orders relative to civil litigation. Additionally, criminal processes, including bench warrants, summons, and orders are served by this unit.

Civil also takes possession of property pursuant to court orders, conducts Sheriff's sales, and generally serves as the enforcement arm for the civil courts.

Enforcement and management of civil law cases is unique to the Sheriff's Office and is a major responsibility, as well as a major liability, for the Sheriff.

Court Security

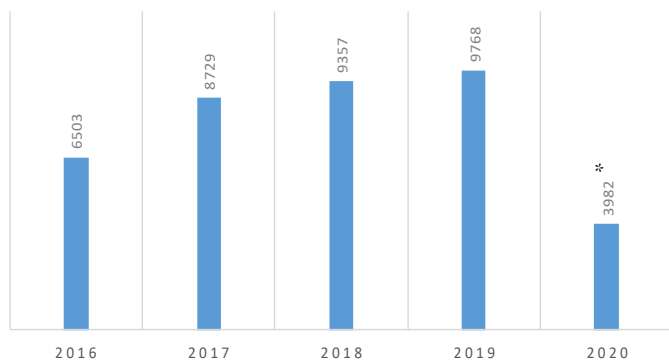

The Sheriff's Office provides two distinct services to the District Court, Juvenile Court, and some justice courts of the First Judicial District.

First, deputy sheriffs serve as the bailiff of the court, whose primary duty is to ensure the safety of the judge and court staff. Additionally, bailiffs help maintain order in the courtroom.

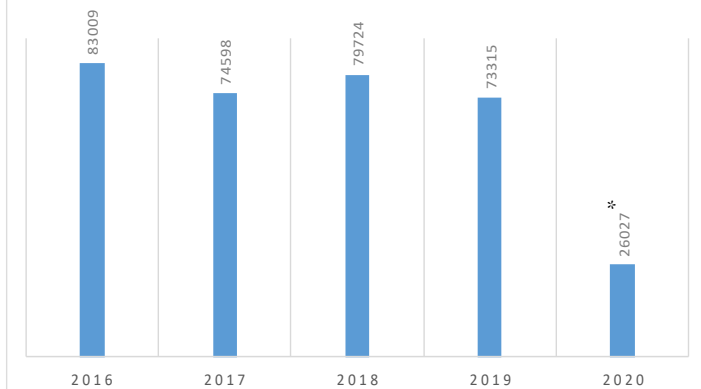

Second, deputy sheriffs provide the security of the court complex. This is accomplished through the deputy's uniformed presence in and around the complex. Additional measures include the use of handheld and stationary magnetometers (metal detectors), intelligence gathering, processing of persons or situations which may pose a threat to the security of the court, and arresting violators of the law in or near the court complex.

The deputy sheriffs assigned to the courts enjoy an excellent working relationship with judges, court clerks, attorneys, and patrons.

PEOPLE CHECKED AT MAGNETOMETER

Quick Court Facts 2020

Items checked by X-ray: 3,982

People checked by Magnetometer: 26,027

Bailiff Hours: 1,179

Security Hours: 7,030

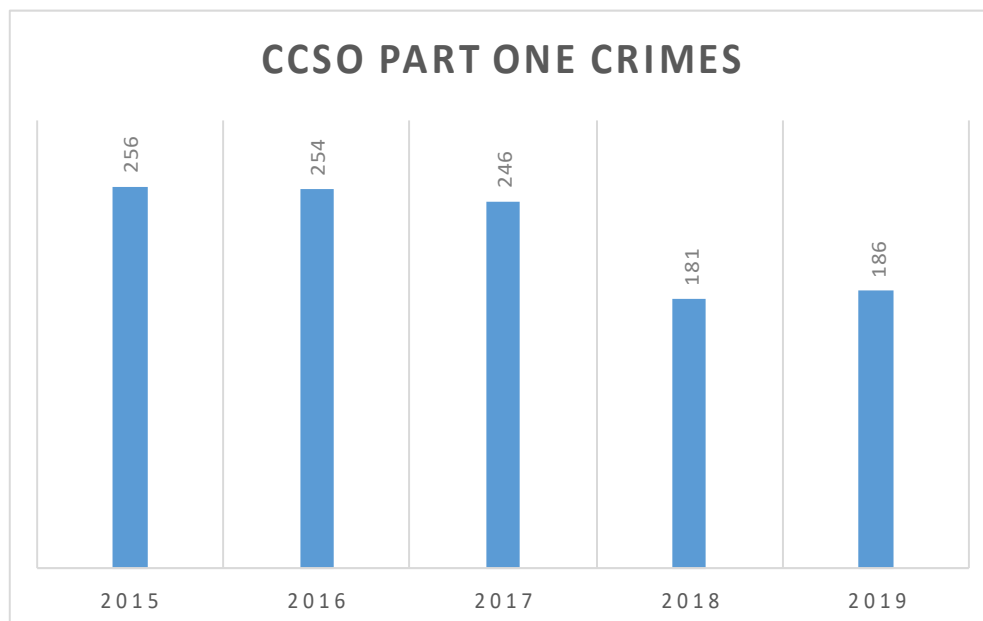

** The numbers for 2020 were down significantly due to the pandemic.*

Investigations

The detectives assigned to **Investigations** are responsible for investigating major crimes in the county.

Part One Crimes

In 1930, the FBI was tasked with collecting, publishing and archiving statistics for Part One (major) crimes, namely aggravated assault, burglary, larceny (theft), robbery, rape, vehicle theft, arson and homicide. These major crimes are the most serious and are complex to solve. The most recent crime index statistics available are for 2019. The Cache County Sheriff's Office has a crime index rate of 3.8 per 1,000 people (total number of Part One crimes divided by the service population multiplied by 1,000).

Source: 2019 Crime in Utah Report, Department of Public Safety – Bureau of Criminal Identification

This data only contains the crimes reported to the Cache County Sheriff's Office and should be reviewed with care. This display should not be taken to imply regularity in the commission of Part One crimes; it represents the annual ratio of crimes to a fixed time interval.

Probation Unit

The Cache County Sheriff's Office **Probation Unit's** primary responsibility is to provide a chance for adult offenders to remain in the community through a structured supervision program while providing for community protection. Through this supervision, the offender has the chance to learn the necessary skills to become a member of society that will live within the normal bounds and rules expected of all citizens.

Probation Unit Description:

Founded in July of 2020, the Cache County Sheriff's Office Probation Unit took on the supervision of two different programs: pretrial supervision and probation. County probation is able to fill a gap that currently exists between Adult Probation and Parole and private probation companies, specifically dealing with medium to high risk misdemeanor adult offenders.

The pretrial supervision program is for those adults who have been charged with a criminal offense, but have not yet gone through the court process and found guilty of that offense. Instead of waiting in jail for this process to occur, these individuals are released out to the community and placed on a supervision program with the Probation Unit.

Probation is for those adult offenders who have been found guilty of a criminal offense. For many, being placed on probation is an option that can be done in lieu of jail time. While on probation, offenders are held to a set of conditions that helps to keep them accountable while providing treatment options that will hopefully help them in making a positive change in their life.

The Probation Unit is also responsible for writing presentence investigations to help provide the court with information that can help them make a fair sentencing. These investigations include: reviewing criminal histories, conducting validated needs/risk assessments on the offender, interviewing offenders, gathering victim impact statements and other information that can help the court in reaching their sentencing decision.

Volunteers

Emergency Management maintains and assists in training a large pool of volunteer groups. Three groups that are used extensively to aid the Sheriff's Office are Search and Rescue, Explorers and the Amateur Radio Emergency Service (ARES) group.

Explorer Program

Law Enforcement Exploring prepares young men and women for a career in law enforcement by providing educational training on the duties, concepts, purpose, and objectives of the law enforcement profession. The program provides experiences in leadership, career orientation, and community service. The purpose of the program is to help young adults choose a career path within law enforcement and to challenge them to become responsible citizens of their communities and nation. The Cache County Sheriff's Explorer Program embraces a community service attitude, professionalism, and ethical behavior in all of its members. Through regular meeting attendance, service, training, and practical experiences, Explorers develop character, citizenship, patriotism, physical fitness, and confidence.

In 2020, the Cache County Sheriff's Office Explorer Program consisted of 13 volunteers. Due to Covid-19 restrictions they were not able to donate the usual hours to the community, although they were able to help out as role-players for CCSO In-Service and police academy training scenarios.

Search and Rescue

In 2020, The Cache County Sheriff's Office **Search and Rescue** Unit responded to 44 Search and Rescue incidents including:

- 21 Off Road Medicals
- 12 Missing or Overdue Person(s)
- 9 Lost Person/Wilderness Search and Rescue
- 2 Out of County Search and Rescue Support Missions

Search and Rescue volunteers donated 3,275 hours on searches. While some searches took only a few hours, others had multiple days of operations.

Search and Rescue volunteers attended 32 trainings and community events during the year, logging 1,468 documented training hours, and again, these numbers are way down due to the pandemic.

Search and Rescue has two volunteer members who are also SAR canine handlers. They conducted another 40 separate K9 SAR training events. Both K9s certified on NASAR Avalanche Rescue and one canine is certified as a FEMA Disaster Responder (K9). Hundreds of hours a year are donated by the handlers to train their personal canines to be used for search and rescue needs.

The Cache County Sheriff's Office Search and Rescue team is made up of 42 volunteers. These volunteers not only donate their time, but use of personally owned vehicles, trailers, ATVs, UTVs, snowmobiles, watercraft and other equipment.

The Cache County Sheriff's Office continues to rank in the top six most active search and rescue teams in the state of Utah. By Utah state law, the Sheriff of each county is required to manage all search and rescue operations in their county. This would be an enormous cost to the taxpayers if it were done with paid staff.

The Sheriff's Office also gratefully acknowledges the following additional groups and agencies for their time in assisting on searches and with training in 2020:

- US National Forest Service
- Life Flight
- Utah Department of Public Safety
- Air Med
- Utah Parks and Recreation
- Mountain Rescue Association, MRA
- National Association of Search and Rescue, NASAR
- Weber County Sheriff's Office Search and Rescue
- Box Elder County Sheriff's Office Search and Rescue
- Cache County EMS Authority
- Logan City Fire/EMS
- Smithfield EMS Authority
- Frank May Ski doo
- Rocky Mountain Search Dogs

ARES Radio Group

In 2020, the **Amateur Radio Emergency Services ® Group (ARES)** had 39 active members. These volunteers are licensed amateurs who have registered their qualifications and equipment, with their local ARES leadership, for communications duty in the public service when disaster strikes.
