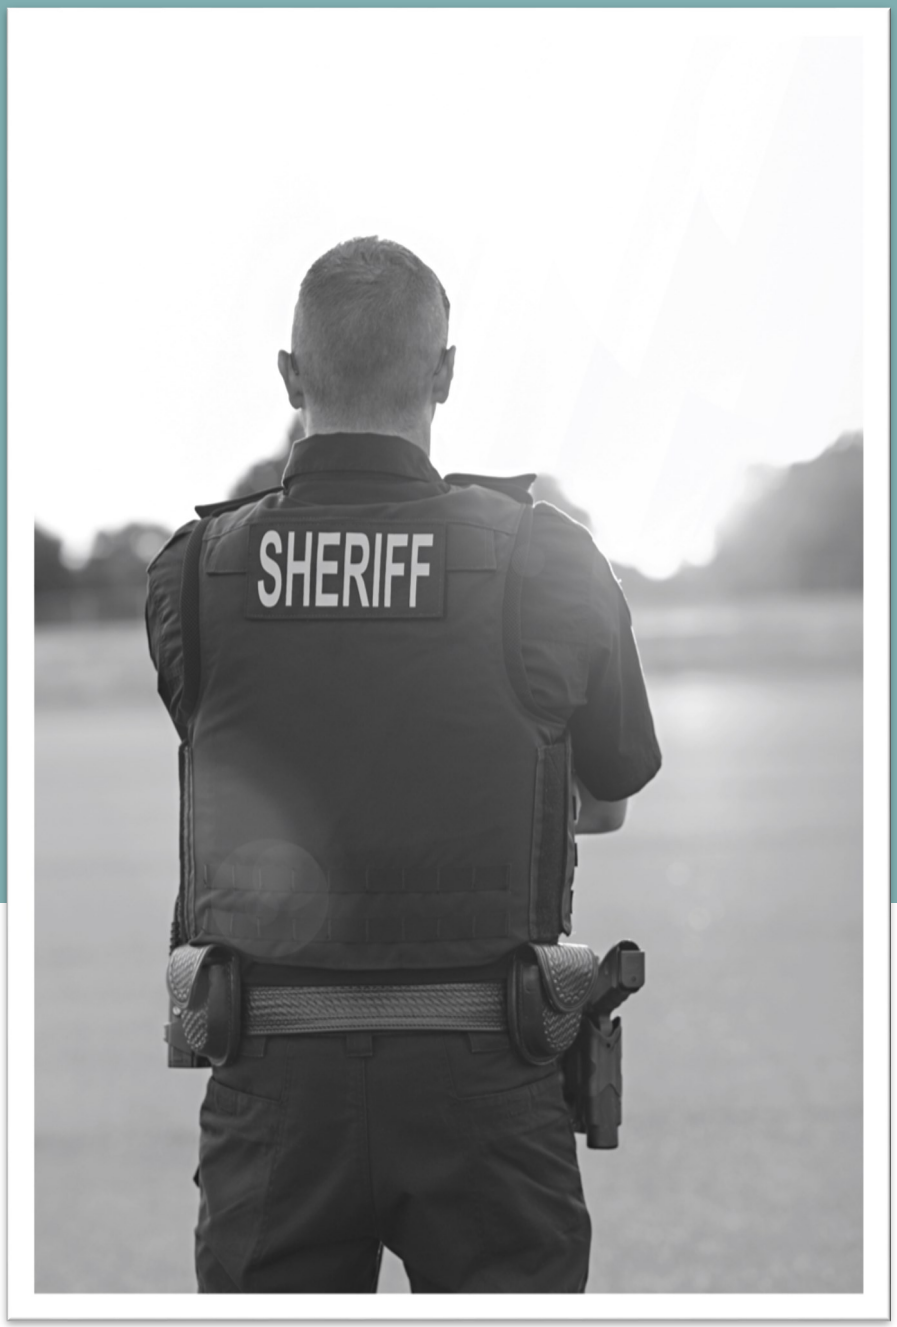
ANNUAL REPORT 2021



CACHE COUNTY
SHERIFF'S OFFICE

Sheriff D. Chad Jensen

Message from the Sheriff

Dear Cache County

Thank you for taking a few minutes to read our 2021 Annual Report, see the work we have been doing, and for being a great community partner with the Sheriff's Office.

Having been on the executive board of the Utah Sheriffs Association for the past six years and President the last two, I have had the opportunity to work with all 29 Sheriffs and many Chiefs of Police across our state. Our community involvement, partnerships, and excellent working relationships with other law enforcement agencies and city and county elected officials in our valley are not seen anywhere else in our state.

As you will see in the STATS in this report, there were more than 12,000 calls for service, thousands of arrests and citations issued, and a jail with 300 or more inmates. The Sheriff's Office's number one priority is public safety and problem-solving. While an arrest or citation is a problem-solving method, it does not always have to be the hammer and nail mentality.

Our Office contracts with fourteen municipalities in our county for patrol services. Our jail has inmates from every jurisdiction in the county along with inmates from the State Prison, US Marshals Office, Franklin County, and others as needed. Our success is due to the fact we have a great relationship with our community.

Thank you for being a great partner in public safety and keeping Cache Valley a place we all want to raise our families.

D. Chad Jensen

SHERIFF'S OFFICE

AWARDS 2021

PATROL DIVISION

Outstanding Achievement

Deputy Hayden Humphreys

The Outstanding Achievement Award is presented to a deputy or staff member that excels in the performance of their duty above and beyond that which is required during their daily course of work. They have exercised competence and have been able to inspire others to improve the quality of their work.

Over the past year, Deputy Humphreys has demonstrated exceptional leadership and service to our community. He was asked to serve as the office representative to the Cache Valley Transit District, and at the same time he volunteered as a regional representative in Utah for the Crisis Intervention Team.

Deputy Humphreys was also asked to become an instructor on de-escalation for the Sheriff's Office and was assigned to improve the curriculum for our training.

Because of Deputy Humphreys' high level of engagement, initiative, and performance, he was awarded the Outstanding Achievement Award for the Patrol Division.

Animal Control Officer Floyd Powell

Over the last several years Animal Control Officer Floyd Powell has diligently served our community. He served with us while our animal control program was in its infancy and helped us to continue the program development and standards. Floyd demonstrates a passion to serve.

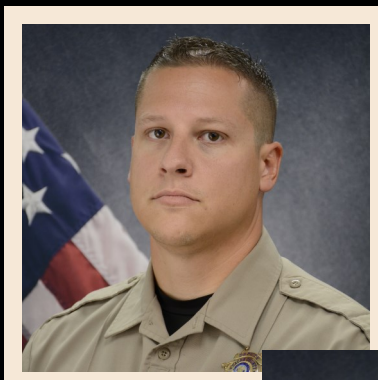
One of the key problem-solving opportunities Floyd worked on was the process of following up on dog registrations. His advice and follow-through furthered the mission of the Sheriff's Office. We would like to thank Floyd for his diligent and dedicated service to the citizens of Cache County.

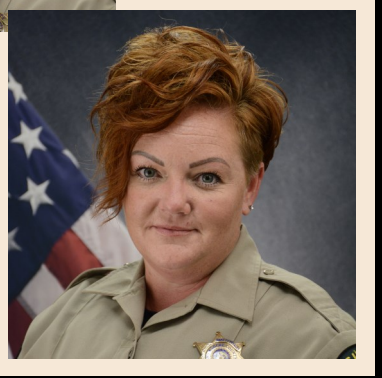
PATROL DIVISION
Unit Citation

Sergeant Damian Openshaw, and Deputies Colton Peterson, Todd Higbee, and **Haden Humphreys**

These individuals were brought together to identify inconsistencies that exist in our training in two very important areas, felony stops, and de-escalation. They were asked to reduce redundancy and to create a standard for all current and future instructors. The group identified areas of concern and revised them.

Their efforts will not only help our staff assess dangerous situations more quickly but keep our deputies and the citizens of our community safer.





PATROL DIVISION
Lifesaving Award

Deputy Rhett Garr and Deputy Senicca Holt

Deputies Rhett Garr and Senicca Holt were dispatched to an accident on Airport Road. The incident involved a motorcyclist who had sustained significant injuries. The patient was noncompliant and combative with EMS personnel and refused medical treatment.

After determining the patient was DUI Deputies Garr and Holt realized the patient would refuse medical treatment unless in custody, so they arrested him but instead of taking him to jail, took him to the hospital. By doing this, they chose to look after the welfare of this man instead of pursuing a criminal offense.

After the patient arrived at the hospital and was checked by medical professionals, it was determined his injuries were more serious than previously anticipated. He had a brain bleed, fractured skull, collapsed lung, and a broken collarbone.

Had it not been for Deputy Garr and Deputy Holt's quick thinking this man may have died from his injuries. Their knowledge of criminal law and concern for him saved his life.

JAIL DIVISION

Outstanding Achievement

Deputy Randy Adams

The Outstanding Achievement Award is presented to a deputy or staff member that excels in the performance of their duty above and beyond that which is required during their daily course of work. They have exercised competence and have been able to inspire others to improve the quality of their work.

Deputy Randy Adams was initially assigned as Work Release Coordinator, but with the change in personnel and the onset of the Covid-19 pandemic, his assignment expanded to include the duties of Work Diversion Coordinator and firearms instructor. He often volunteers for overtime and special assignments and takes it upon himself to accomplish many tasks others have been unwilling to do.

Supervisors and deputies alike have made many comments regarding Deputy Adams' work ethic, his dependability, and his level-headed approach to assignments.

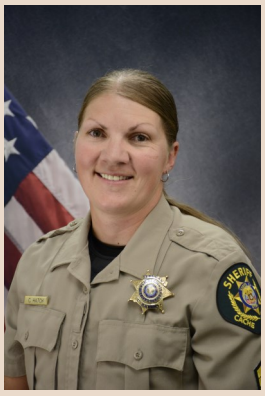
Deputy Daniel Hulse

Over the past year, Deputy Daniel Hulse has taken on the responsibility and supervision of repainting the jail's interior surfaces and resurfacing the floors. He utilized, coordinated, and supervised multiple inmates during this project, making sure they had the equipment and materials to complete the job. Deputy Hulse took on this project without being asked. This was a vast undertaking, which preserved county funds that otherwise would have been used to pay for professionals to do the work.

Deputy Hulse has also been the Team Leader for the Gang Unit for the past two years. Deputy Hulse has planned the majority of recent trainings and built relationships with other agencies to share gang intelligence. He is a great asset to the Sheriff's Office and to the citizens of Cache County.

SUPPORT SERVICES DIVISION

Outstanding Achievement



Sergeant Candice Hatch

Over the past few years, the idea of a Peer Support group for law enforcement officers has taken hold in the state of Utah, as well as throughout the nation. This is a direct result of the high number of officers who struggle with the stresses of the daily job, which too often result in failed marriages, poor relationships, problems at work, and suicide.

During the past year, Sgt. Candice Hatch has taken the lead in implementing and creating a Peer Support Team for Cache County Sheriff's Office. She has worked on a system that will allow staff members, who are struggling, to get help. This includes getting help from licensed therapists. Sgt. Hatch worked with other county employees to help with a grant that covers the cost of these therapists.

Sgt. Hatch has also reached out to bring training to the Office to ensure that the Peer Support team members have the training and education that they need to benefit those that seek out their help.

Sergeant Chad Kerr

In 2019, Sheriff Chad Jensen began looking at the possibility of creating a probation unit at the Cache County Sheriff's Office.

Sgt. Chad Kerr was chosen to lead this group of agents and has done an outstanding job.

There have been many challenges in putting this unit together. The agents assigned to this unit had to learn an entirely new set of job duties and a new mindset in working with probationers. Sgt. Kerr had to be flexible as changes occur on a weekly basis.

Sgt. Kerr has spent hundreds of hours working with court staff and Judges to get the County Probation program into the courts. He has shown patience and an ability to adapt as he has led this program forward.

ADMINISTRATIVE DIVISION

Chief Deputy Matt Bilodeau

ADMINISTRATIVE

The administrative division is responsible for the general running of the Sheriff's Office. It provides administrative and logistical assistance to all the departments of the organization.

Administrative staff includes:

- Executive Duties/Office Manager - Cami Miller
- GRAMA/Records - Janet Baker
- Spillman Administrator - Kati Jensen
- Evidence - Kristin Anderson
- Community Liaison - Sara Orahood
- Transcription - Mandi Collins

EMERGENCY MANAGEMENT - Will Lusk

Emergency Management is responsible for operating the County EOC (Emergency Operations Center) and coordinating countywide disaster efforts.

MAINTENANCE - Jon Coulam and Eric Sorensen

The Sheriff's Office maintenance staff are responsible for keeping the Sheriff's Office property, equipment and buildings in good condition through preventive maintenance and ongoing repairs.

CUSTODIAL - Dale Ashcroft

The Sheriff's Office custodial staff work in the office and correctional areas of the Sheriff's Office to make sure the building is kept safe and clean.

CACHE COUNTY

SHERIFF'S OFFICE

EMERGENCY OPERATIONS

The Cache County **Emergency Operations Center (EOC)** is located at the Sheriff's Office Complex, and is managed by the Cache County Office of Emergency Management. The EOC serves as the central point for exercising direction and control by County government, and for coordinating emergency response and recovery operations during times of emergency or disaster.

Floods, earthquakes, severe storms, landslides, hazardous material spills, and search and rescue operations are examples of emergencies or disasters that may require centralized direction and control through the EOC. This centralized direction and control is facilitated through the efforts of emergency responders, staff, volunteer agencies, non-governmental organizations, and elected and appointed officials who have assigned emergency support and coordinating responsibilities within the EOC. Coordination of activities ensures that all tasks are accomplished with little or no duplication, and with the highest probability of success.

Day-to-day operations include maintaining situational awareness and disseminating information. The EOC is ideally suited for this because of numerous phone lines and other communications capabilities. Day-to-day operations may also include managing Amber Alerts. If an Amber Alert is ordered in the County, the EOC serves as the call center for receiving tips and gathering information related to the alert. The EOC will serve as the central point of disseminating Amber Alert information to the public.

The EOC is equipped with emergency supplies, communications equipment, computer-based reference materials, and activity logs. It has backup power and lighting, along with the other tools necessary to function in emergency or disaster situations. The EOC is also equipped to serve as an alternate Emergency 911 Dispatch Center.

To ensure all response and recovery tasks are accomplished with the highest probability of success, the EOC facilitates a county-wide "Training and Exercise" program. Within the past year, training has been provided to a number of emergency responders, staff, volunteers, faith-based groups, and elected and appointed officials.

EMERGENCY OPERATIONS ACTIVIES FOR 2021

Disasters / EOC activation levels or Response levels / Disaster Declarations

- *COVID-19 testing and vaccination clinic support*
- *Cart Callout - Richmond Elementary missing children*
- *Electrical Power Outage at CC ADMIN*

- *Snow Squall Advisory - 1 event*
- *Excessive Heat Advisory - 4 events*
- *Hard Freeze Advisory - 3 events*

CRIMINAL DIVISION

Lieutenant Mikeshan Bartschi

Animal Control

The Cache County Sheriff's Office contracts with 11 cities and towns for a variety of animal control services. In August 2015, the position was designated as a civilian position rather than a sworn deputy position. We now have three full-time animal control positions.

Patrol

Since the election of Cache County's first Sheriff in 1857, the primary mission of the Sheriff has been to preserve the peace and make all lawful arrests. The deputy sheriffs in Patrol continue a strong commitment to that mission. The Cache County Sheriff's Office contracts with 14 cities and towns, the U.S. Forest Service, Cache County School District, and Cache Valley Transit District to provide law enforcement services.

School Resource

There are eight deputies that work in the School Resource unit; one supervisor and seven deputies. Two of these deputies teach a N.O.V.A. program over a 14-week period at the elementary schools in the Cache School District. The other five deputies and the school sergeant respond to calls for service within the schools which otherwise would have to be handled by a patrol deputy.

Medics

The Sheriff's Office was the first organization in the state to get a licensed Paramedic Tactical Rescue Unit license. We brought on part-time employees who are full-time paramedics. They have attended our basic SWAT course and regularly attend our SWAT training. These medics are trained to go into mass casualty events and work to save lives. They bring a wealth of knowledge and experience to our organization and continue to prove invaluable in our planning for any catastrophic events.

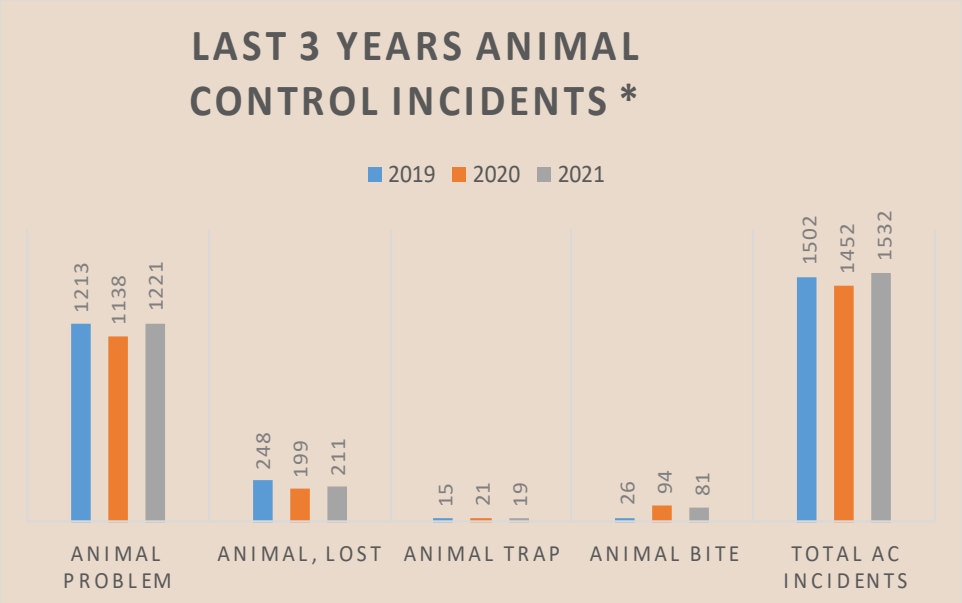
ANIMAL CONTROL

Sgt. Damian Openshaw

Animal Control is a service provided by the Criminal Division under the direction of the administrative sergeant. Three full-time civilian employees working in the Animal Control unit respond to animal calls and patrol for animal problems. In 2021, Animal Control responded to 1,532 incidents in Cache County.

Contract cities receiving this service benefit from accurate documentation of ongoing problems and nuisances that may fall through the cracks with an on-call animal service. Other advantages of having a law enforcement employee assigned to this service are a working relationship with the various city prosecutors and access to all the resources of the Sheriff's Office to safely and humanely handle animals.



SCHOOL RESOURCE

Sgt. Reed Tanner

Alcohol Compliance Checks

The Cache County Sheriff's Office, in cooperation with the Bear River Health Department, conduct alcohol compliance checks in accordance with the EASY alcohol program funded by the State of Utah. Checks are conducted four times per year. The purpose of the checks is to prevent the sale of alcohol to underage youth.

How Compliance Checks Work

A youth, at least 18 years of age, goes into a retail store that sells alcohol and tries to purchase alcohol. The buyer is instructed to be honest and follow a particular set of rules outlined by the State of Utah. If a purchase is made, the store clerk is cited or referred to court, and administrative action is taken by the state against the store, which may include fines and suspension of licenses.

Compliance

In 2021, approximately 19 retail stores were checked four times throughout the year. Out of 76 attempts to purchase alcohol by an underage buyer, four buys were successful. The retail stores of Cache Valley were 95% compliant in not selling alcohol to underage buyers.

The **School Resource unit** consists of seven deputies and one sergeant. Deputies are assigned to work with the staff and students at the high schools (Sky View, Mountain Crest, Ridgeline, and Green Canyon) and middle schools (South Cache, North Cache, and Spring Creek). Two deputies teach the NOVA program at the elementary schools in the Cache County School District.

The **School Resource** deputies investigate crimes within the schools and work with school administrators on safety issues concerning the schools. They also provide a level of security within the schools by their presence.

The School Resource deputies also work with the Bear River Health Department by conducting alcohol compliance checks.

N.O.V.A.

The acronym N.O.V.A. stands for nurturing, opportunities, values, and accountability. The mission of N.O.V.A. is nurturing youth to seek out positive opportunities, to internalize good values, and to accept accountability for life choices. N.O.V.A. assists parents, families, and communities in protecting youth from the potentially devastating effects of illegal drug use, violence, and negative media exposure.

The N.O.V.A. program is taught over a 14-week period with deputy sheriffs in the classrooms usually once a week. Topics covered include drugs and alcohol, opportunities and accountability, moral courage, self-esteem, heroes, anger management, teasing, bullying, evaluating media such as television, movies, video games, internet safety, music, and gangs.

PATROL

Sgt. Tim Ramirez
Sgt. Denny Bird
Sgt. Cody Olsen

Patrol division includes:

STAR Deputy - The STAR (Sheriff's Town and Area Representative) Deputy Program was developed to provide each citizen with a direct link to the Sheriff's Office. A STAR Deputy is assigned to each city in the county. The Deputy attends the monthly city council meetings and assists them with things such as Neighborhood Watch, National Night Out Against Crime, and anything else the city is in need of. Citizens are encouraged to contact their STAR Deputy with any questions or concerns they may have.

Motors - Given their inconspicuous presence and maneuverability, the motors are an effective tool for general traffic enforcement. After specific traffic problems or issues are communicated to the motor deputies through input from citizens or other deputies, concentrated enforcement activity is initiated to resolve their concerns. The motors are also placed into service for parades, city celebrations and events, National Nights Out, and military and funeral escorts.

K9s - The Cache County K9 Division consists of two K9s and their handlers. Responsibilities include tracking criminal suspects, drug detection and general patrol duties. They also go to schools, fairs and other public events to demonstrate the important work they do.

SWAT - The Cache County Sheriff's Office SWAT (Special Weapons and Tactics) team is a highly trained group of deputies tasked with the responsibility of handling and resolving extremely high-risk situations. Utilizing team tactics, special weaponry, specialized equipment and other tactical skills, the SWAT team handles hostage rescue operations, armed and barricaded suspects, high-risk warrant entries and any other situation requiring the team's skills and abilities.

The peace officers assigned to Patrol have a strong commitment to the preservation of peace and making lawful arrests. They uphold that mission by gathering intelligence on criminals, investigating their activities, and ultimately arresting and prosecuting them. The lives and liberties of Cache County's residents are further protected by the Patrol unit's response to public emergencies of many varieties, traffic enforcement, public safety, crime prevention programs, and civil dispute resolution.

In addition to preserving the peace and making arrests, Patrol deputies are a representative of the Sheriff in the communities that the office serves. The Sheriff's Town and Area Representative (STAR) Deputy program was organized to enhance communication and service between the Sheriff's Office and the individual communities. Each deputy is assigned to a particular city or town, and together they work to resolve community issues.

The Patrol Division consists of 28 deputies and four sergeants. With a total of 12,151 calls for service this year, the Sheriff's Office deputies (patrol, animal control and school resource deputies, 43 total) responded to an average of 282 incidents per deputy.

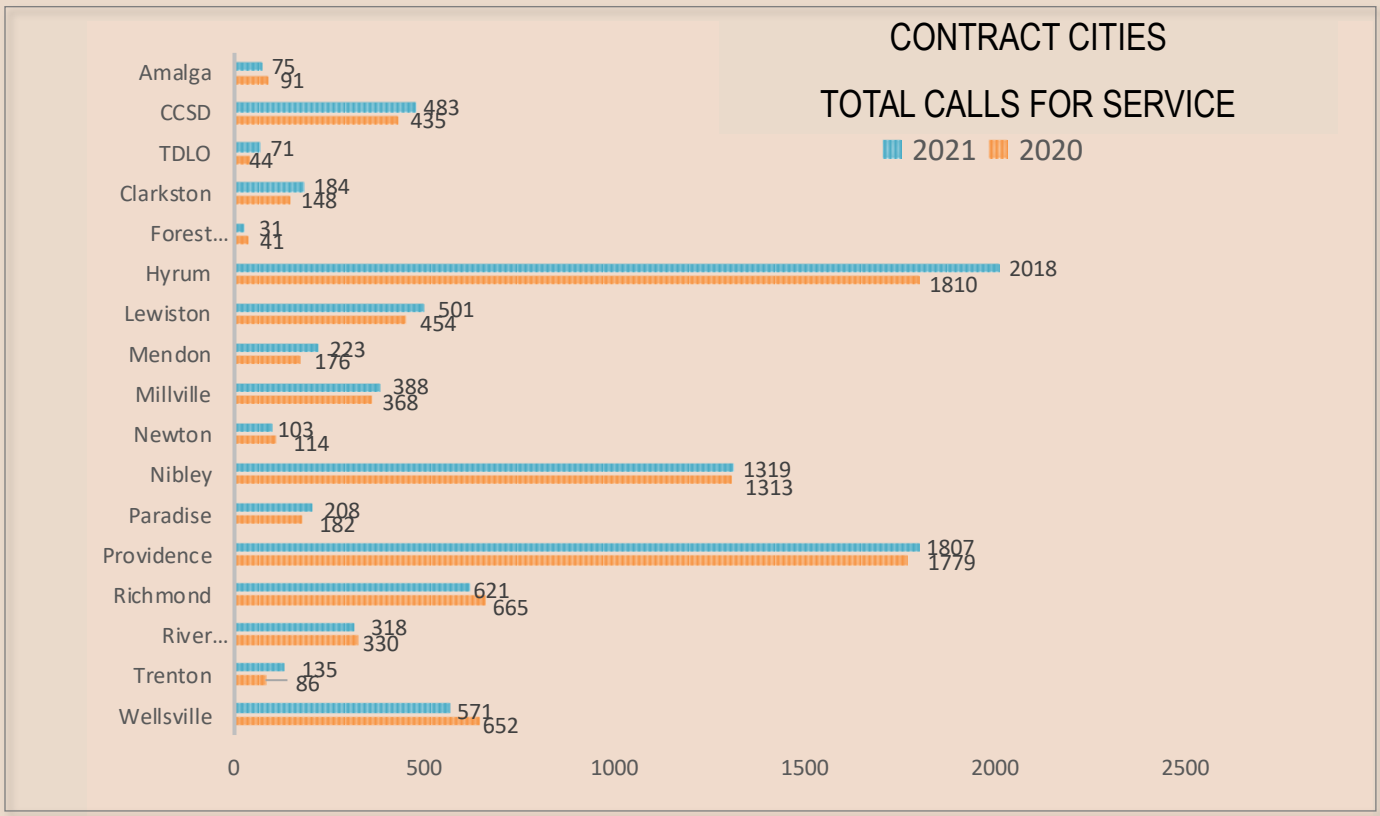
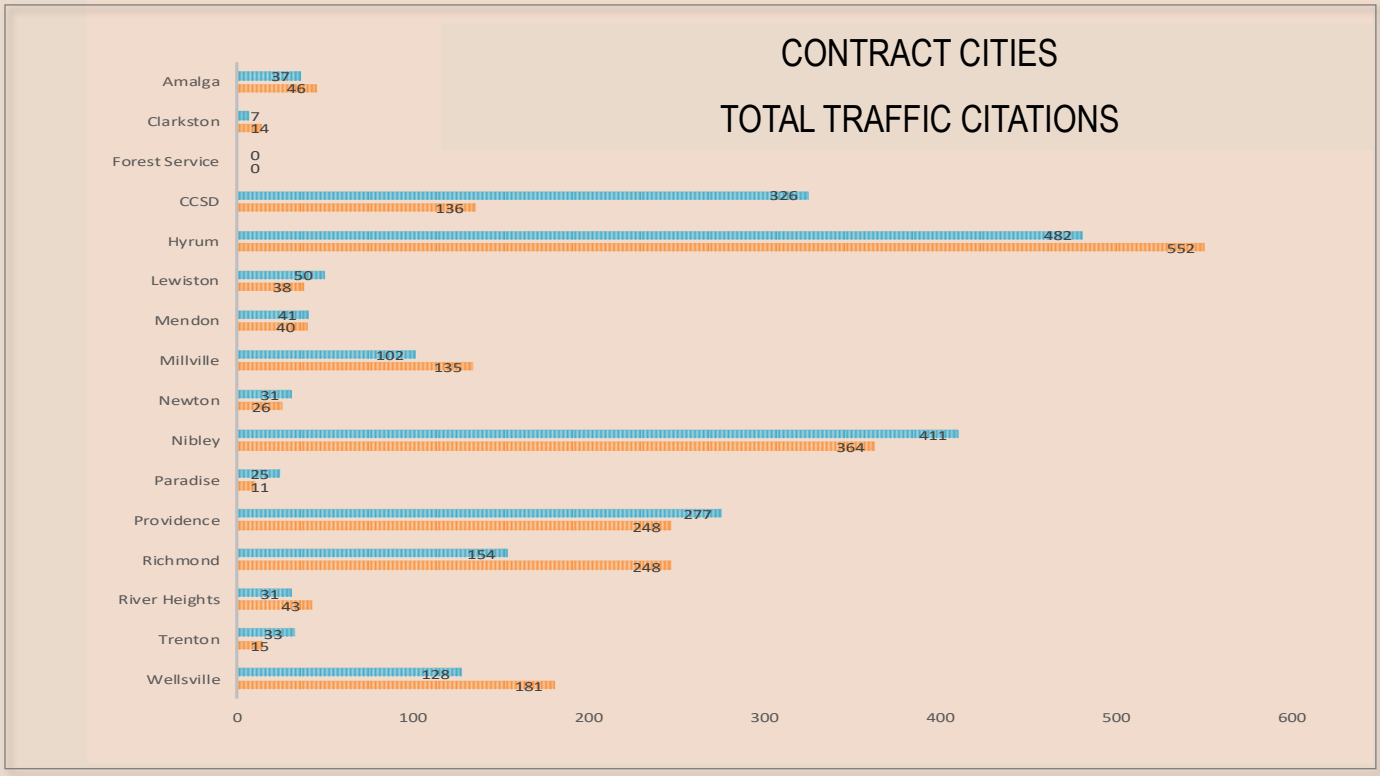
CONTRACT CITIES

The Cache County Sheriff's Office contracts with 14 cities and towns, the U.S. Forest Service, Cache County School District, and Cache Valley Transit District to provide law enforcement services. This provides those cities with municipal-type law enforcement services in an economical manner.





JAIL DIVISION

Lieutenant Roy Hall

Administrative Staff
The administrative staff is responsible for inmate accounting, including the processing of bail, medical billing, and billing other agencies for housing. The jail accreditation program is also managed through the Administration office.

Corrections
Corrections deputies are responsible for the safety and security of all inmates and staff within the Cache County Jail. Their duties also include booking inmates in and out of the facility and inmate recreation.

Inmate Programs and Services
Inmate Services is responsible for inmate commissary, inmate programs, classification, work release, work diversion, greenhouse, and county worker programs.

Medical
The medical staff is responsible for all inmate medical care.

Transportation
Transportation deputies are responsible for transporting inmates to court appearances, medical and dental appointments, Utah State Prison, or the Utah State Hospital.

CORRECTIONS

Sgt. Blake Hansen
Sgt. Dustin Batt
Sgt. Virgil Hutton
Sgt. Matt Butler

Corrections deputies ensure that the jail is a secure, humane, and fair environment for inmates. The deputies work to create a positive opportunity for inmate behavioral change and reintegration into society. All inmates are treated in a courteous manner, without regard to personal prejudice by reason of gender, race, religion, or political affiliation. The deputies are responsible for the day-to-day functions within the jail.

It is the mission of the Cache County Jail to provide inmate housing while upholding the values and ethics of the Cache County Sheriff's Office. This is done by providing a constitutionally acceptable environment that will ensure safety and security to the community, staff, and inmates. The accomplishment of these goals and other mandated court requirements is facilitated through cost-effective management. The qualified staff creates a positive atmosphere where participating inmates may advance to a less restrictive environment.

It is the responsibility of the Sheriff and his employees to provide services to fulfill the requirements of the United States Constitution, Utah State statutes, and decisions of all courts of jurisdiction.

The Sheriff's Office has several work programs in place for inmates. The public appreciates the service given and the overwhelming majority of inmates in the programs feels a sense of accomplishment.

Inmate Work Programs

There are 40 positions within the jail for inmates to work. Inmates allowed to work within the facility do so in the kitchen, laundry, library, and as janitors. Inmates allowed to work outside the facility work at the American West Heritage Center, Sheriff's Office greenhouse, County Fairgrounds, Logan Landfill, and Zootah. There are also work crews that work with supervision on the county and Sheriff's Office grounds. Inmates working outside of the jail provided approximately 5,147 work hours this year.

Inmate Programs

Inmates are provided with a variety of programs which they can participate in during their incarceration.

These programs include:

- Addiction Recovery Program (ARP) or Heart to Heart
- Alcoholics Anonymous (AA)
- CAPSA
- Inside Out Dad
- Job Preparation Workshop
- Life Skills
- Anger Management
- Moral Reconation Therapy (MRT©)
- NAMI
- Narcotics Anonymous (NA)
- Thinking for a Change
- Indexing
- Relapse Prevention,
- 7 Habits
- Functional Behavior

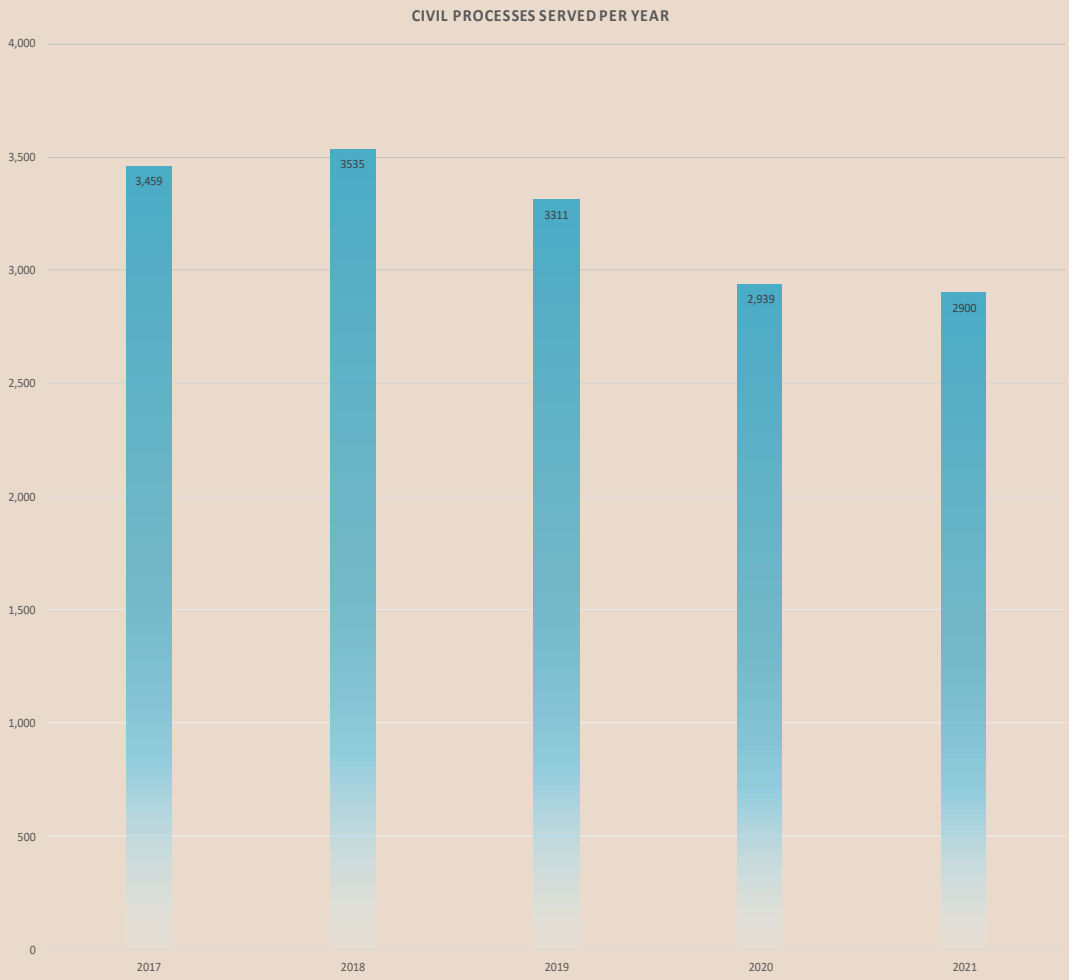
CIVIL DIVISION

Sgt. Holly Dixon

The **Civil** unit provides timely service of all processes brought to the Sheriff's Office, as well as executing court orders relative to civil litigation. Additionally, criminal processes, including bench warrants, summons, and orders are served by this unit.

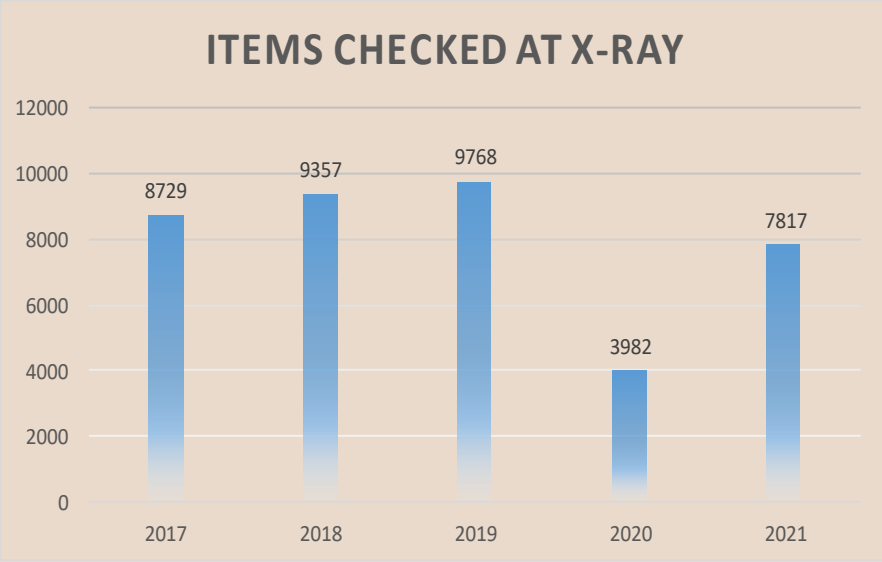
Civil also takes possession of property pursuant to court orders, conducts Sheriff's sales, and generally serves as the enforcement arm for the civil courts.

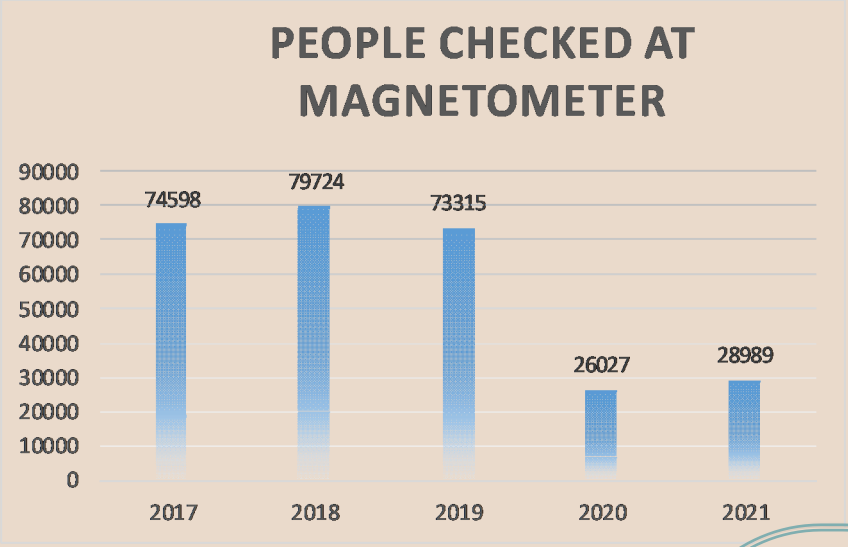
Enforcement and management of civil law cases is unique to the Sheriff's Office and is a major responsibility, as well as a major liability, for the Sheriff.



COURT SECURITY

Sgt. Garret Webb





The Sheriff's Office provides two distinct services to the District Court, Juvenile Court, and some justice courts of the First Judicial District. First, deputy sheriffs serve as the bailiff of the court, whose primary duty is to ensure the safety of the judge and court staff. Additionally, bailiffs help maintain order in the courtroom.

Second, deputy sheriffs provide the security of the court complex. This is accomplished through the deputy's uniformed presence in and around the complex. Additional measures include the use of handheld and stationary magnetometers (metal detectors), intelligence gathering, processing of persons or situations which may pose a threat to the security of the court, and arresting violators of the law in or near the court complex.

The deputy sheriffs assigned to the courts enjoy an excellent working relationship with judges, court clerks, attorneys, and patrons.

Total Court Security Hours 2021:

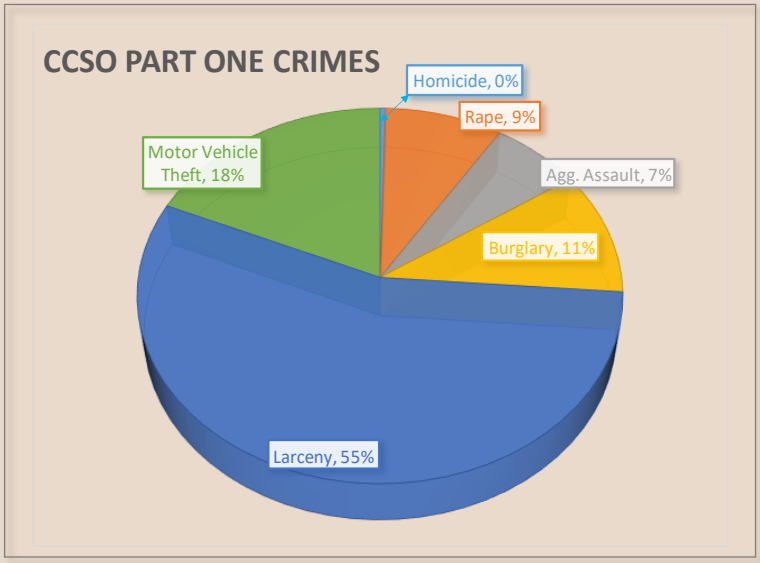
INVESTIGATIONS

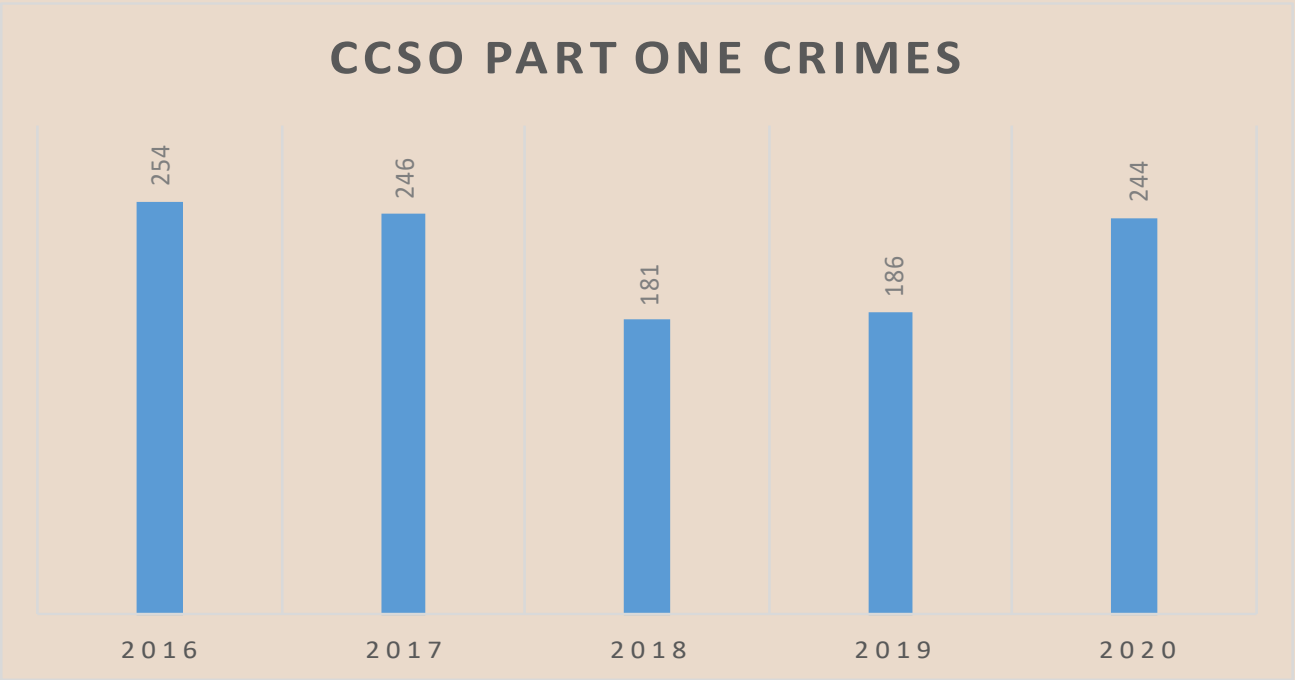
Sgt. Candice Hatch

The detectives assigned to **Investigations** are responsible for investigating major crimes in the county.

Part One Crimes

In 1930, the FBI was tasked with collecting, publishing, and archiving statistics for Part One (major) crimes, namely aggravated assault, burglary, larceny (theft), robbery, rape, vehicle theft, arson, and homicide. These major crimes are the most serious and complex to solve. The most recent crime index statistics available are for 2020. The Cache County Sheriff's Office has a crime index rate of 5.0 per 1,000 people (total number of Part One crimes divided by the service population multiplied by 1,000).





Source: 2020 Crime in Utah Report, Department of Public Safety – Bureau of Criminal Identification

This data only contains the crimes reported to the Cache County Sheriff's Office and should be reviewed with care. This display should not be taken to imply regularity in the commission of Part One crimes; it represents the annual ratio of crimes to a fixed time interval.

PROBATION UNIT

Sgt. Chad Kerr

The Cache County Sheriff's Office **Probation Unit's** primary responsibility is to provide a chance for adult offenders to remain in the community through a structured supervision program while providing for community protection. Through this supervision, the offender has the chance to learn the necessary skills to become a member of society that will live within the normal bounds and rules expected of all citizens.

Probation Unit Description:
Founded in July 2020, the Cache County Sheriff's Office Probation Unit took on the supervision of two different programs: pretrial supervision and probation. County probation is able to fill a gap that currently exists between Adult Probation and Parole and private probation companies, specifically dealing with medium to high-risk misdemeanor adult offenders.

The pretrial supervision program is for those adults who have been charged with a criminal offense but have not yet gone through the court process and are found guilty of that offense. Instead of waiting in jail for this process to occur, these individuals are released to the community and placed on a supervision program with the Probation Unit.

Probation is for those adult offenders who have been found guilty of a criminal offense. For many, being placed on probation is an option that can be done in lieu of jail time. While on probation, offenders are held to a set of conditions that helps to keep them accountable while providing treatment options that will hopefully help them in making a positive change in their life.

The Probation Unit is also responsible for writing presentence investigations to help provide the court with information that can help them make fair sentencing. These investigations include: reviewing criminal histories, conducting validated needs/risk assessments on the offender, interviewing offenders, and gathering victim impact statements, and other information that can help the court in reaching their sentencing decision.

Work Diversion

Work Diversion is another work program that offers opportunities for those sentenced to do community service. This program is being used by many of the local courts including First District Court, Logan Municipal Court, and other justice courts. This program provides many benefits to the court system, the community, and to the individuals sentenced to the program.

In 2021, 6,884 hours of community service were offered to 15 different organizations in Cache Valley. These service hours provided for work to be done that otherwise would have had to be paid for by local taxpayers. The Work Diversion program focuses its efforts on assisting non-profit and government agencies, which maximizes the benefit to local taxpayers.

At the same time, this program provides an alternative means of punishment other than incarceration. Many of the individuals who are sentenced to this program are young adults who have committed minor infractions ranging from traffic violations to alcohol violations. These young adults do better working off their fines and punishments than spending several days in jail. By being sentenced to the work diversion program, they can provide a visible benefit to the community, and work off fines that otherwise would be financially burdensome while avoiding negative life lessons that too many incarcerated individuals seem to want to provide to newer inmates.

VOLUNTEERS

Sgt. Dave Welker

Emergency Management maintains and assists in training a large pool of volunteer groups. Three groups that are used extensively to aid the Sheriff's Office are Search and Rescue, Explorers and the Amateur Radio Emergency Service (ARES) group.

Search and Rescue

In 2021, The Cache County Sheriff's Office **Search and Rescue** Unit responded to 37 Search and Rescue incidents including; 27 off road medicals, nine missing or overdue person(s) and one out of county Search and Rescue Support Mission.

Search and Rescue volunteers donated 3,128 hours on searches. While some searches took only a few hours, others had multiple days of operations. Search and Rescue volunteers attended 51 trainings and community events during the year, logging 2,182 documented training hours.

Search and Rescue has five volunteer members who are also SAR canine handlers. Both K9s certified on NASAR Avalanche Rescue and one canine is certified as a FEMA Disaster Responder (K9). Hundreds of hours a year are donated by the handlers to train their personal canines to be used for search and rescue needs.

The Cache County Sheriff's Office Search and Rescue team is made up of 38 volunteers. These volunteers not only donate their time, but use of personally owned vehicles, trailers, ATVs, UTVs, snowmobiles, watercraft and other equipment.

The Cache County Sheriff's Office continues to rank in the top six most active search and rescue teams in the state of Utah. By Utah state law, the Sheriff of each county is required to manage all search and rescue operations in their county. This would be an enormous cost to the taxpayers if it were done with paid staff.

The Sheriff's Office also gratefully acknowledges the following additional groups and agencies for their time in assisting on searches and with training in 2021:

- US National Forest Service
- Utah Department of Public Safety
- Air Med
- Utah Parks and Recreation
- Mountain Rescue Association, MRA
- National Association of Search and Rescue
- Weber County Sheriff's Office Search and Rescue

- Box Elder County Sheriff's Office Search and Rescue
- Cache County EMS Authority
- Logan City Fire/EMS
- Smithfield EMS Authority
- Frank May Ski doo
- Rocky Mountain Search Dogs
- Life Flight

Explorer Program

Law Enforcement Exploring prepares young men and women for a career in law enforcement by providing educational training on the duties, concepts, purpose, and objectives of the law enforcement profession. The program provides experiences in leadership, career orientation, and community service. The purpose of the program is to help young adults choose a career path within law enforcement and to challenge them to become responsible citizens of their communities and nation. The Cache County Sheriff's Explorer Program embraces a community service attitude, professionalism, and ethical behavior in all of its members. Through regular meeting attendance, service, training, and practical experiences, Explorers develop character, citizenship, patriotism, physical fitness, and confidence.

In 2021, the Cache County Sheriff's Office Explorer Program consisted of 14 volunteers. They donated over 600 hours to the community, participating in activities such as, The Cache County Fair and Rodeo (burger stand), parades, city celebrations, and National Night Out. They also help out as role-players for CCSO In-Service and police academy training scenarios.

ARES Radio Group

In 2021, the **Amateur Radio Emergency Services ® Group (ARES)** had 39 active members. These volunteers are licensed amateurs who have registered their qualifications and equipment, with their local ARES leadership, for communications duty in the public service when disaster strikes. They have donated 1,085 hours to the citizens of Cache County.
