

Ogden Ranger District, Wasatch-Cache NF  
Ogden Travel Plan Revision  
Reversal of Record of Decision  
July, 2006

1. Record of Decision for the Ogden Travel Plan Revision was signed on March 20, 2006.
2. The decision was appealed by four groups:
  - a. Jim Trenholm
  - b. John Borg et al
  - c. Ogden Sierra Club et al
  - d. Fred Selman et al
3. Per our policy, a Standing Appeals Review Team was convened to review the merits of the appeals and to make a recommendation to the Forest Supervisor to either affirm or reverse the Record of Decision.
4. Based on their recommendations Forest Supervisor Faye Krueger decided to reverse the March 20 decision.
5. The Ranger District will now begin the process of preparing a supplemental EIS that takes a harder look at the cumulative effects of implementing our travel plan revision.
  - a. Federal Register Notice of Availability – 30 days
  - b. Review and Comment on draft – 45 days
  - c. Administrative review/appeal period – 45 days
6. Bottom line is we will not be able to complete this process before the end of the field season. Until we complete the supplemental EIS the ranger district will be enforcing our existing Ogden RD travel plan.
  - a. Roads and trails of particular interest in Cache County include:
    - i. The Sink Hollow Loop Road will be gated at the top of Three Mile Canyon.
    - ii. The Public Grove 4X4 trail will be signed closed at the Honey Bee Mine and at the Forest Boundary to the west.
