Heroes Tribute Ride for the Fallen & America250 Event in Cache County

Logan, Utah: On Saturday, August 23, 2025, the American Heroes Motorcycle Association UT1 will host the Heroes' Tribute & Ride for the Fallen at Elk Ridge Park in North Logan, Utah. Registration opens at 8:00 a.m., followed by a memorial ceremony at 10:00 a.m., with kickstands up at 10:30 a.m. The ride honors the memory of LCpl Michael J. Allred and all fallen heroes, uniting participants and community members in remembrance and gratitude.

The weekend will begin with a banquet dinner on Friday, August 22 at 6:00 p.m. at the Riverwoods Conference Center in Logan. "This event is about more than the ride—it's about honoring the sacrifices of our fallen heroes and standing together as a community to keep their memories alive," said Wally Odd, President of the Rocky Mountain Veterans Center Board of Directors and Chair of the Heroes Tribute event. "Every mile we travel is a tribute to their courage, service, and the freedoms they helped protect." In addition, Cache County has established the Cache County America250 Committee to plan, coordinate, and advise on local events commemorating the 250th anniversary of the founding of the United States now through summer 2026. The committee consists of nine local residents appointed by the County. Working in collaboration with municipalities, schools, businesses, nonprofits, faith-based groups, and the America250 Utah Commission, the committee will support events and programs reflecting the initiative's themes: Educate, Engage, and Unite. Community members and organizations are encouraged to develop or brand events under the America250 umbrella to foster patriotism and participation. "America250 is a once-in-a-lifetime opportunity to reflect on our nation's history, celebrate our shared values, and inspire the next generation to carry them forward," said Barbara Tidwell, Co-Chair of the Cache County America250 Committee. "We want every community member to feel part of this milestone and to contribute to the legacy we'll leave for the future." For more information, go to www.cachecounty.gov/america250.

Both the Heroes Tribute and the America250 initiative reflect Cache County's commitment to honoring the past, engaging the present, and inspiring the future. These events invite residents to remember and celebrate together, creating a legacy of service and unity for generations to come.
