PRESS RELEASE

Seasonal Road Closures Extended

With the heavy snowpack this year, Cache County has determined that it is both necessary and appropriate for the County to extend the seasonal motorized vehicle restrictions on county roads. These closures are for public safety, to reduce road damage and repair costs, to preserve water quality, and prevent erosion during snowy and muddy conditions this spring.

The following seasonal access roads that were **SCHEDULED TO OPEN APRIL 15, 2024** will be extended and will **REMAIN CLOSED UNTIL AT LEAST MAY 1, 2024**. Additional delays may occur, pending weather and snow pack run-off conditions.

- 3200 West (Old Canyon Road & 8500 South)
- High Creek Canyon Road
- Mount Pisgah Road
- South Canyon Road

If you have any questions about how these closures might affect you, please call the Cache County Public Works Department at 435-755-1560.
